Dear Grace family,

Thank You for your faithful giving over the past year. We met all our budgeted obligations and closed the year with \$798.70 in the checking account. We depend on and appreciate consistent, faithful weekly/monthly giving.

Additionally, Thank you for the EXTRA giving to pay down the mortgage. Thus far we have paid a little over \$4,000 LESS in interest through the last 24 months since the refinancing, PLUS we have wiped the next 43 months of interest away saving a little MORE than \$26,000 of future interest. The actual total of interest saved thus far is \$30,435. We have reduced the monthly interest we pay going forward by almost half so that much more of our regular mortgage payment is going toward principal.
