Capital Grant applications will be sent out soon. There is over \$500,000 available this cycle. Much of this money needs to be spent this year or the clubs will lose it completely. Projects considered at this time are trailhead improvements, large maintenance projects, parking areas etc. This is a competitive program so make it a project worthy of funding.

March 23rd Warriors Path will have 14 couples here to enjoy Clark in the wintertime. During the day on Saturday couples can ice fish on the lake (Jack Smith is coordinating this event), or go snowmobiling up to Farwell Mountain (Stan is donating 21 sleds for the event).

Saturday evening there will be a pot luck at the Charter School.

Everyone is welcome to attend any of these events.

We will be having an end of season social event at the Roadhouse. The date is March 30th. Save the date!! Leslie has offered to make flyers for the event.

Tuesday April 2nd is our last meeting of the year.

Snow West 2020 is featuring Hahn's Peak for an event over President's weekend according to Andy Puzman. We will see how we can work in conjunction with them for the event.

If you need a map for our trail system try going to the Avenza Maps app. We are trying to get a PDF included on our web site also.
