STEP 1

CLEAN OUT YOUR HOUSE!!! GATHER & PREP YOUR ACCEPTED ITEMS!

All items must meet our standard of "GENTLY USED, EXCELLENT QUALITY" and be CURRENT! No vintage, outdated items. Check Manufacturer label for date. During check-in, all items will be inspected and we will REJECT any items not conforming to our standards & prep guide instructions. Also, it is required that all consignors review the recall list at: www.cpsc.gov prior to drop-off.

-----------------------------------	---	--	--	---

STEP 3 - FOLLOW THESE TIPS TO PRINT

TAGS: It is imperative that your barcodes scan correctly @ the registers!

- **USE WHITE CARDSTOCK ONLY!**

- **No regular copy paper!** They tear, get lost easily, and don't scan. This can result in missing items!!!
- **Best prices for white cardstock @ Big Lots/Sams Club (60# or 65# ONLY)**
- **WHEN PRINTING TAGS:** Use "DRAFT QUALITY", "GRAYSCALE", OR "BASIC" setting when printing.
- **DO NOT USE BEST QUALITY,** it will be too dark! Our scanners won't be able to read them! Too much ink is used & the barcode lines become blurred.

NEED HELP? Email us for assistance!
kristi@wnybellakids.com

When accessing your consignor account, always use **MOZILLA FIREFOX!**

GOOD BARCODES:

- ✓ Straight lines
- ✓ Solid print
- ✓ Space between barcode lines
- SCANS EASILY ☺

BAD BARCODES:

- ~Jagged lines
- ~Faded print
- ~Blurry space between barcodes.
- ~WILL NOT SCAN ☹

TROUBLESHOOTING & PRINTING TIPS:

- ~**BATCH PRINT!** (5-10pgs at a time) to make sure ALL pages print correctly & some haven't run out of ink!
- ~**REALIGN!** Using your printer a lot? Do this from the settings screen to make sure the barcode prints clearly! Not sure how? Google your printer make & model for instructions.

~TEST PRINT! A PAGE FEW WEEKS BEFORE THE SALE! Make sure your printer has the settings available
☺ Don't procrastinate.

HOW TO USE OUR ONLINE INVENTORY SYSTEM: My Consignment Manager

ACCESSING YOUR CONSIGNOR ACCOUNT:

We recommend using ONLY Mozilla Firefox when using My Consignment Manager, our online inventory system.

GETTING STARTED: Go to

www.myconsignmentmanager.com/wnybellakids

1. Click on CORRECT SALE/DATE LINK. Login using your consignor number and password.
2. Choose ENTER INVENTORY
3. Choose correct category you are starting with (ex. TOYS)
4. Enter description (there are two lines for this)
 - We recommend using first line for brief description of brand (ex. 2 pc Carters red sweater set)
 - Use second line to highlight details such as New without Tags or Used once and retails for \$150!
5. Price (min. is \$2)
 - ALWAYS think to yourself, "What would I pay for this at a consignment sale?"
 - Price it to sell! That should be around 20-35% of price you paid for it! (ex. You Paid \$20, Price it @ \$4.00!)
6. Quantity (only applies if there are more than one of the same exact item)
7. Check to Discount or Donate.
 - We recommend DISCOUNT: YES! If your item is still unsold by Sunday, there's a reason for it! Price it Half Off to sell it on the last day!
 - DONATE: Yes means it is going to a very good cause, Harvest House! And you will get a tax donation receipt!
8. Click Submit.

HELPFUL TIPS:

- Use abbreviations like NWT (New With Tags) AND make sure you include as much descriptive information as will fit. If a tag becomes separated from an item, we use these descriptions to try and find the items and attach the tag.

TAGGING:

This is VERY IMPORTANT because tags have YOUR barcode to give you credit when an item sells!

When entering your items, we recommend BATCHING items by category in groups of 24. That way you don't waste any cardstock!

1. Once you've entered a batch, click GENERATE tags. The system will automatically generate the tags in groups of 8 per page.
2. Print Tags on **white cardstock paper** ONLY!
 - Cardstock is sturdy & doesn't tear easily! It helps in not losing a tag. If there is no tag, your items can't be sold!
3. Cut out tags
4. Secure tags! Using safety pins, tagging gun or using a hole punch for twine.
5. All items must be tagged at drop off and clothing on hangers. No exceptions.
6. All tags must be crisp and clear with no fuzzy lines and printed with black ink on white card stock. (See printing guide.)

Tagging Supplies:

(Most you can get at the Dollar Store)

1. Hangers (we accept store, plastic, wire etc)
2. Zip Ties
3. Card Stock or Cover Stock (65lb or higher)
4. Ziploc bags
5. Packaging Tape
6. Tagging Gun/Barbs or Safety Pins
