

We request that teachers complete a pre-survey prior when meetings between the child and Listener begin. After 10 or more meetings, teachers complete a post-survey.

The five items in this section include the following:

1. Completes Seatwork
2. Completes Homework
3. Follows Directions
4. Shows Interest in Subject Matter
5. Shows Effort as Reflected in Grades

We received pre-post teacher data for 255 students, and 73% showed gains. In addition, many teachers wrote positive comments regarding the student's progress.
