# Staff Spotlight

The April Staff Spotlight is Christina Danko. Christina, who is a former Team OGI competitive gymnast, rejoined our staff in August of 2008.

As a gymnast, Christina's favorite event was vault, where she earned a career high of a 9.85! She also enjoyed spending time on the floor exercise perfecting her tumbling. Christina is also a former competitive cheerleader for Ursuline High School and Youngstown State University. Christina has earned countless achievements, including the 2006 "Tumble Off" champion.

Upon graduating from Ursuline High School in 2006, Christina attended Youngstown State for 2 years. Christina is currently working towards her degree in Early Childhood Education, with a focus in special needs at Kaplan University. One day she hopes to work with autistic children.

When Christina is not coaching, she enjoys shopping, movies, and spending time with family, especially her two younger brothers, Stephen and Matthew. One of the most exciting things in her life is playing with her new bundle of joy, son Jaylin Brian, who will be 1 this May!

Congratulations and keep up the good work Miss Christina!
