

MANAGER'S DESK FOR TUESDAY, SEPTEMBER 6, 2022

WELCOME TO THE MANAGER'S DESK, I'M MIKE CORNELL.

IT'S DAY 6 OF OUR BIRTHDAY LETTER MONTH. I ALWAYS APPRECIATE THE EARLY LETTER WRITERS. YOUR LETTERS GIVE ME SOMETHING TO SHARE WITH THE OTHER LISTENERS.

[BOB – HATLEY] HAPPY BIRTHDAY WRVM!!! 55 years broadcasting the good news of our Lord and Savior Jesus Christ. May He bless all of you in Suring for your faithfulness and service to keep the good news going out.

[JEANNIE – STEVENS POINT] Happy Birthday, WRVM! I am so very, very thankful for WRVM. Listening to your station on my cell phone makes it possible to carry music and messages from room to room as I go about my life. Ron Hutchcraft's A Word with You. Adventures in Odyssey, Haven Today are blessings to me. I turn to WRVM as my news station. The music of Don Shire puts a spark in my life. With gratitude and prayers for you to continue to bless so many,

[DAREN – GREEN BAY] I found your station and want to start by saying I have been a faithful listener for at least 5 or 6 years now!! I listen mainly through the computer. I will start with the programs I like to listen to for some teachings: Sunday-Moody Presents and Truth For Life Before church-Moody Church Hour after Sunday Eve-Psalms 95 and Songs In The Night. M-F: A Word With You, Our Daily Bread, Haven Today, Revive Our Hearts(though I am male, be nice to have a program like this for men) Grace To You, Turning Point, Insight For Living, Unshackled and Night Sounds. Sat-Unshackled, The Story Teller and Songs In The Night. Also, I love most of the music you play. With the exception of the trumpet music, especially at night or early morning and Mountain Railroad. Also, I do think the Christmas Music is way over done with it from Black Friday all the way into Jan. Other than that I love your radio station and count it a blessing to have such a wonderful ministry. May God bless you all in all you do. Thank You.

WE APPRECIATE THE HONEST FEEDBACK, AND SUGGESTIONS, REGARDING OUR PROGRAMMING. COMMENTS AND SUGGESTIONS THAT ARE TAKEN INTO CONSIDERATION AS WE EVALUATE OUR PROGRAMMING.
