Finding My Way Books is an independent children's book publishing company creating books to promote the inclusion of children with disabilities and cultural diversity. Our books are:

- Large print; easy to read
- Illustrated with photographs; easy to understand
- Bilingual; English/Spanish, English/Swahili
- Back pages include Discussion Starters and Activities to facilitate inclusion and skill building; Picture and Vocabulary Glossaries: Comprehension questions; all to support educators

Differentiators:

- Picture books written in the voice of a child with special needs
- Authors: a PhD in Special Education and an Occupational Therapist
- Created by a professional photographer with a degree in Education
- Provides diversity in literature through disability, race, gender and culture
- Resource for Inclusive Education
- Multicultural concept books

Current Contracts:

- Kansas Pediatric Foundation Early Literacy Program: Turn A Page/Touch A Mind
- Reach Out and Read Kansas City
- South Texas ISD vendor
