

## SO LONELY

By John Lipinski

Do you know what it's like, to walk in the night, and whisper a name  
Do you know, what it's like, without the sun's light, things aren't the same  
You left me, you left me, aw, you left me

Do you know how it feels, when your head reels, with the pain  
Do you know how it feels, when a broken heart heals, you go insane  
You left me, you left me, you left me, all alone

And now the lights, are never bright  
And all my days are like my nights  
Cuz, I'm so lonely, so lonely, I'm so lonely...forevermore

Do you know, memry's cling, when the telephone rings, and I hear your voice  
Do you know, my heart sings, and my spirit takes wing, you made your choice  
You're coming back, coming back, you, you've come back, to me

And now the lights are shining bright  
You fill my days, you fill my nights  
I won't be lonely, so lonely, I won't be lonely...nevermore
