

# **Building Bridges for a Dynamic, Productive Team**

In this era of downsizing and budget constraints, it is of vital importance that we take full advantage of our employees... without them feeling taken advantage of. Research has determined that employees are motivated more by performing meaningful, interesting work and a full appreciation of the work being done. Salary actually ranks 5<sup>th</sup> out of the top ten in studies of what employees want from their workplace. (90 – 120 minutes)

## **This interactive session covers:**

- Understanding Our Differences
- What Employees Want
