

ROTHESAY NURSERY SCHOOL

BEHAVIOUR POLICY

The governing body of Rothesay Nursery School adopted this policy on 28 March 2019 and it will be reviewed in March 2022.

RATIONALE

We believe that learning how to behave towards others is a particularly important part of being at Nursery School and may directly influence attitudes adopted in later years.

Values are instilled through the style and atmosphere of the school and the example set by staff. We promote respect, courtesy, consideration and kindness towards others, giving the children and their parents a clear understanding of what is considered to be important, what is valued and what will not be accepted.

We believe that if all children are to have their chance to learn and to be happy and safe in school then there must be some positive simple rules to allow this to happen.

We believe that parents/carers are the greatest influence in their children's lives and behaviour.

We adopt the positive handling strategies of Team Teach and staff are trained accordingly.

We have adopted the Thrive approach to ensure we support children to develop a secure emotional base. This approach allows us to be curious about different behaviours and use a variety of ways to support children if they display unwanted behaviours. It also helps us to promote emotional wellbeing.

PURPOSE

To encourage and develop children's self-discipline, helping them to uphold the simple positive rules and expectations of the school.

AGREED PRACTICE

1. We have a positive approach to behaviour.
2. All staff model appropriate behaviour.
3. We respond to appropriate behaviour and give positive recognition, showing respect to children, visitors and adults.
4. We encourage older children to look after the younger and the more vulnerable children.
5. We explain and show children how to work with materials and tools to set good habits.

6. To improve behaviour, we enhance children's self-esteem
 - a. by celebrating children's work and good behaviour
 - b. by disapproving the action/behaviour - not the person
 - c. by giving a sense of security through regular routines, setting limits and a few basic rules.
7. We have positive simple rules and expectations, which concern the way we wish all the children to behave.
8. Rothesay Rules are updated with the help of children and are displayed throughout the nursery.
9. We use Rothesay Rules as positive guidelines for the children, which we help them to achieve.
10. We will not accept aggressive behaviour towards children and adults.
We will not accept children destroying other children's work.
We will not accept any behaviour or verbal comments that are designed to upset another child or adult.
11. We deal with these matters as they arise, being firm, calm and consistent.
12. If it is necessary to move a child if they are at risk of hurting themselves, others or damaging school property we can use reasonable and proportionate force to remove them from the situation. If a child is physically moved this is recorded in the behaviour log.
13. All incidents are logged and include what preceded the incident, what was going on during the incident and how effective the outcome was. This is shared with parents.
14. Should it be necessary to give a child an Individual Behaviour Plan these will be reviewed on a regular basis with parents.
15. Where necessary, positive handling plans will be put in place for individual children, in partnership with their parents.
16. At team meetings, we discuss strategies to be used with individual children, these are shared with all members of staff to ensure consistency.
17. This policy will be reviewed regularly.

Rothesay Rules

1. Listen
2. Take turns and share
3. Be kind
4. Look after our Nursery

Biting Policy

For younger children biting can be part of their development which the majority of children do not continue once they grow older. There are a number of reasons that this behaviour occurs, such as anxiety, stress, communication, or feeling of being overwhelmed.

Our aims

We

- Have clear procedures for staff to support the recording of biting incidents in nursery.
- Have an up to date behaviour management policy which is understood by all members of staff
- Ensure that parents are fully informed in all cases and families requiring support are signposted to our Family Worker.
- Ensure that staff and families understand that this may be related to sensory, attention, behaviour or communication issues. No child will be judged if they bite another child.

Our procedure

- If a child bites another, they are removed from the area if safe to do so.
- First aid is administered
- The child who has bitten is told (to their level of understanding) that biting is not allowed.
- It is recorded in the behaviour log.
- A member of the SLT is informed.
- Parents are informed.
- If a member of staff is bitten, first aid is administered and the incident recorded.

HOME/SCHOOL AGREEMENT

Rothsay Nursery School recognises and values the important role parents play in their children's educational development.

We believe that a positive nurturing relationship between home and school is vital for all children. By supporting your child and taking an interest in school matters, you can actively enhance your child's motivation and enjoyment of learning

Parents/Carers

I/We will do our best to:

- Ensure my/our child arrives at school on time, and is collected promptly.
- Work well with the school to ensure my/our child behaves well.
- Support my/our child with learning.
- Attend Parents' Evenings and discussions about my/our child's progress.
- Talk to the school about any issues affecting my/our child, either at home or at school.

School

We will do our best to:

- Look after your child's safety and we will adopt the positive handling strategies of Team Teach
- Deliver a balanced, enriched and carefully planned curriculum which meets the needs of your child and government curriculum directives.
- Contact you promptly if we have any concerns about your child's progress, attendance or behaviour.
- Keep you informed about your child's learning and progress.

Pupil

I will do my best to:

- Behave well and keep the school rules.
- Be polite and helpful to other pupils and all grownups.
- Take care of my own things, and those of others.
- Look after the school and all equipment.
- Tell my teacher if I am unhappy or need help.

Xxxx has a tendency to hit and push other children and members of staff.

To be Implemented by:

All staff

Pupils Behaviour	Staff Action	Staff Language
Xxxx is hurting other children and staff	<ul style="list-style-type: none">Remove from situationSay 'Stop (with Makaton sign)Sit Xxxx on 'Thinking Spot' for 2 minutesEncourage to sign 'Sorry'	<ul style="list-style-type: none">Stop – with visual sign as a promptSad with sign and visual cardBe kind (with sign and visual card)Sorry (with sign and visual card)
Strategies Used		
<ul style="list-style-type: none">Xxxx will be rewarded for good behaviour with Makaton signs and visual cards.Staff will use Makaton signs and visual cards as prompts, with spoken words.Staff will use social stories to encourage positive behaviour and encourage Xxxx to make good choices.Adults will model good behaviour, encouraging sharing		
Evaluation		
Xxxx behaviour will be monitored, the frequency of incidents will be recorded to monitor effectiveness of plan		

Intervention and Support for children at Rothesay Nursery School

Universal Provision	Targeted Provision for	Specific Provision
---------------------	------------------------	--------------------

All Children	Children	Children with EHC Plans, severe and complex special needs, resourced places
<p>The aim is to support children for appropriate periods of time, to meet their needs within universal provision where possible. Universal provision is routinely available to all children.</p>	<p>Targeted provision is the support offered to particular children or groups of children with a specific need. Targeted provision often includes training, guidance, advice and support from agencies. The aim is to support children and young people for appropriate periods of time to meet their needs, then to meet their needs within universal provision where possible.</p>	<p>Specific provision is provided for children with specialist, acute, complex or very high level needs who would otherwise be at great risk of poor outcomes. They will often be provided alongside universal provision but may, in some exceptional circumstances, be a replacement for universal provision. For example, specific provision will include: services provided for looked after children by social services. Education, Health and Care Plans. Access to specific services requires an additional level of assessment or referral linked to specific communicated criteria, or in some cases a particular diagnosis. The aim is to support children and young people for appropriate periods of time, then to meet their needs within universal provision where possible.</p>
<p>Examples:</p> <ul style="list-style-type: none"> • Small groups and games • Child initiated play with time for extended thinking and learning • Small group work and key worker time • Daily focussed activity • Social and emotional aspects of development • Sustained shared thinking • Positive handling – Team Teach 	<p>Examples:</p> <ul style="list-style-type: none"> • Supported play by an adult modelling and developing play • Daily work on targets on IEP • External advice • Extending language of EAL pupils or speech and language difficulties 	<p>Examples:</p> <ul style="list-style-type: none"> • Individual Education Plans • Picture Exchange Cared system • Behaviour Education Plans • TEACCH • Speech therapy • Portage • Autism Groups • Intensive 1-1 support

'Champions' Book' today
Well Done

Steps for Celebration

1 VERBALLY PRAISE

2 AWARD STICKERS

Record in 'Champions' Book' and put a note in the child's drawer for parents.

3 SHARE WITH OTHER STAFF AND CHILDREN

4 10 ENTRIES INTO 'CHAMPIONS' BOOK

Child to receive a 'Golden Champions' certificate from the Headteacher

Steps for Inappropriate Behaviour

1 WARNING

Talk to child about their behaviour and reinforce what is appropriate

2 THINKING SPOT

Child to sit for a maximum of 3 minutes. Reinforce Rothesay Rules. Staff stay with the child.

3 REMOVE FROM AREA

Make other staff aware

4 CHILD TO STAY WITH AN ADULT

Use professional judgement regarding length of time

5 NOTIFY PARENT AND LETTER HOME

Team Leader to talk to parent and inform them that they will be receiving a letter from the Headteacher

COVID-19 ADDENDUM 2020

Rationale

During the Covid-19 outbreak 2020, we have reviewed our behaviour policy, in light of new safety measures and risk assessments. This addendum does not replace the school's behaviour policy and should be read in conjunction with the main policy

Moving around the school

On arrival, children will need to separate from their parents calmly and wash their hands straight away. If this cannot be done safely, the parents must take them home.

Following clear instructions from adults, the children must transition safely around the school. They may require simplified language and visuals from the practitioners from their class base to support their understanding of what is required.

Hand Washing and Hygiene

The children will be required to wash their hands on entry and throughout the session. They must be supported to do this through modelling hand washing and giving clear guidance.

Unwanted Behaviour

Unwanted behaviour must be dealt with calmly and with a quiet, but firm voice. During these difficult times, a calm atmosphere must be created to support the children to negate anxiety.

If a child exhibits unwanted behaviour they will be required to sit and think about their behaviour close to an adult. If the unwanted behaviour persists they may need to be removed from the main group for a short period of time.

If a child requires a high level of positive handling during their time in school, this must be risk assessed with a member of the SLT and the findings of the risk assessment adhered to.

Rewards

Targeted praise is an important part of our teaching. However, we will not have the same rewards system, if a child does do something that needs to be celebrated then this shall be done through immediate praise.

Any behaviours that arise during the phased reopening of the school must be discussed with the SLT.
