After a short discussion it was determined that most members feel it would be a good idea to have mutual outing with other local prospecting clubs. The president will contact the other clubs and look for input from the other clubs. Attending members were advised that starting with the month of July a special raffle will be held for members currently wearing club apparel at the meeting. One prize per meeting will be awarded. George showed two short films regarding the dangers of entering washes or crossing roads during a flash flood. George then gave a short description of the raffle table.
