imababywear

Known for iconic patterns and styles, imababywear crafts high quality fashion for babies. imababywear is born out of a passion to create a luxurious and comfortable wear for your precious babies.

Imababywear garments are made of “eco-friendly” cotton; its luxurious and innovative designs have won customers from all around the world

KEY FEATURES OF OUR PRODUCTS

- ⊕ All imababywear garments are made of 100% premium Cotton; the fabric is super-soft interlock with 200 to 220 GSM.
- ⊕ Our Zipsuits (sleepsuits) are easy to wear and super-soft and are made with high quality YKK Zippers. The 2-way zipper is used for easy wearing and diaper change.
- ⊕ Our convertible sleepsuits are designed in such a way that you can use it both as a sleepsuit for your new-born baby and use it as a gownsuit when your baby grows out of sleepsuit.
- ⊕ Fold-over mittens for all the garments for babies under 6 months so as to cover the fingers/legs from any harmful scratch.
- ⊕ Our bibs are double layered with adjustable snaps for a perfect fit.
- ⊕ Our beanies are with adjustable knotted cap and they coordinate well with all of our zipsuits, blankets and sleep gowns so you can mix and match for an adorable fit.
- ⊕ Our prints are eco-friendly and non-toxic; and our garments are machine washable.

imababywear

All the imababywear garments are designed by a highly skilled master-tailor. Every item is uniquely tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

Our cotton is sourced directly from nature It is highly breathable, naturally absorbs and releases moisture and good for sensitive skin.

Fabric

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both sides. It has a good shape retention property.

Muslin

Muslin is a plain-woven cotton fabric, which is highly breathable. It is very fine, lightweight and smooth in texture. And it is one of the purest, softest and most gentle fabrics available around the world, so it is widely used in baby clothing. Since it is highly breathable, muslin allows for airflow, reducing the risk of overheating. This quality helps keeping the baby more comfortable, safe and gentle.

Imababywear

imababywear – the word 'ima' is inspired from one of the oldest languages, Aramaic, meaning "mother". In realization of the needs of every mom out there, imababywear creates a comfortable wear for babies. Every clothe is tailored with a motherly care to keep your baby snug all the time.
