

Thank you to all of the homeowners who attended the 2008 Annual Meeting. The meeting was held Tuesday, April 8 at the Clinton-Macomb Library North Branch on 24 Mile Road. Congratulations to Kevin Burks and Kyle Dufrane who will continue on the Board of Directors. Kevin has been the Director-at-Large since the board's inception, and Kyle joined just recently as our newest Secretary. Homeowners who attended had an opportunity to voice their opinions about snow removal, the use of salt at the intersections, and neighbors who fail to move their cars from the street during a snow event. Other topics that were discussed included the quality of subdivision roads, the holiday decorations at the sub entrance and a general financial update.
