

# The Herb Society of America, South Texas Unit Madalene Hill Scholarship Award for Botanical Majors

## **\$1,000 SCHOLARSHIP**

### **Eligibility Criteria**

1. The applicant must be studying agribusiness, agricultural sciences, or horticulture; or ecology or environmental science with a focus on botany. Students majoring in biochemistry, cellular biology, genetics, or molecular biology will be considered if their academic interests are plant-related. Consideration will also be given to graduate students enrolled in an approved graduate program and engaged in plant-related research.
2. Permanent residents of Texas who are attending any accredited community college, four-year college, or university are eligible to apply.
3. Other students who are attending any accredited community college, four-year college, or university in Texas are eligible to apply.
4. All applicants must have completed at least one full year of college.

### **Application must be received by May 1**
