

1st Choice Before and After School Kare (A.S.K.) Policies for School-Age Child Care Programs

As of 10-26-18

1. Purpose and Philosophy of 1st Choice A.S.K.
 - A) Help motivate our School-Age Kids to have most if not all homework completed by the time they are picked up to help increase your family time.
 - B) Set the standards in the industry to encourage all after school and child care companies to hire certified teachers to help with homework and increase test scores.
 - C) To help children in financially challenged families receive the same age appropriate extracurricular opportunities as their peers. Build self-esteem and confidence in all our kids and promote positive choices to ensure a successful future.

2. Ages of children
4yrs to 18yrs
Children 4 years of age, who will turn five on or before October 15th of the current calendar year may attend the program.

3. Services offered for Special Needs Children
An interview process will be required with the parent(s) or guardian(s) and child. All efforts will be made to accommodate the child's needs in accordance with the American's with Disabilities Act, and to integrate the child with his/her peers. Once admitted into the program, if it has been determined the child will need individual attention (for their safety and success) A.S.K. will notify the parent that tuition will increase to twice the posted amount of regular rates in order to offer the best care possible. Parents understand that A.S.K. Director's and staff are not trained for Special Needs Children.
It is important that our employees are prepared in case an emergency should arise which is why we have an emergency plan set in place and practice it on a monthly basis. For children with disabilities it is even more imperative that our teachers have a plan of action set in place and is geared towards the child's needs. We will work with the parents/guardians to make sure our teachers are prepared and aware of the different types of disabilities they will be working with by identifying, communicating transportation needs, supplies, and accommodations that meet the special needs of these students.

4. Hours of service
Before Care Hours: 6:45am or 7am to start of school, varies per school.
After Care Hours: School release time to 5:45-6pm, varies per school.

Early Release Days: Before care will be offered (if available) After Care will not be provided unless specifically noted. Call for specific details on times for each program per school.

 - A.S.K. will host activities in-doors if the weather is too hot or cold outside.
 - If there is a fire, all children will be taken outside to the safest area.
 - If there is a tornado, all children will be lead to a hallway where there are no windows until weather has passed and it is deemed safe to exit.
 - Fire and Tornado drills will be performed once every other month, or as stated in the Director & Staff Responsibilities document. If school is closed due to severe weather, 1st Choice A.S.K. will not hold a program that specific day and will be closed as well.
6. Admission, Registration and Itemized fee schedule
 - A pre-admission interview (either by phone or in person) will be held with the child's parent(s) or guardian(s) to determine whether the services offered by 1st Choice A.S.K. will meet the needs of child and or parent(s) / guardian. By signing the form you are giving your child permission to sign themselves out of the program to attend their specified club and return to the A.S.K. program. We ask that the parent/guardian consistently communicates with the A.S.K. staff with any change in schedule to take the proper steps to transition your child to their particular club and return to the A.S.K. program safely.
