in collaboration with

Presence Saint Joseph Hospital • Chicago, Illinois

Unparalleled excellence in medical education

Past attendees will tell you: ACLES programs are medical educational experiences like no other! You'll find no other courses in foot and ankle surgery that compare with the high-level collegial experience ACLES meetings provide. You'll train and consult with the nation's leading educators and practitioners of lower extremity medicine and surgery in a relaxed, intimate environment that promotes engagement between presenters and attendees.

This program features regular opportunity for one-on-one learning in structured lecture sessions, discussions, and workshops. Course content addresses every aspect of lower extremity surgery, from diagnosis to post-operative care.

The wide-ranging content enables experienced professionals to stay current with trends and developments in the field, and allows most physicians to acquire their annual requisite CME credits.

Who should attend?

- Podiatrists
- Orthopedic Surgeons
- Osteopaths

...who perform surgery of the foot, ankle or leg, their support teams, and other allied professionals with an interest in lower extremity surgery.

MEETING HIGHLIGHTS

The ACLES 2017 18-hour program features content from physicians from across the country, noted for their significant contributions to foot and ankle medicine and surgery. Special events and presentations include...

Wound Healing Symposium featuring **Leland Jaffe, DPM, Scott Pickett, DPM, and Steven Kravitz, DPM**

The program will begin with a deep dive into new developments in wound healing. Venous diseases and their surgical implications will receive special attention during the afternoon session — and with so many wound healing luminaries at the course, you can be sure the symposium's panel discussion will be a lively one!

Become a "Physician Certified in Wound Healing" by the Council for Medical Education and Testing (CMET)

ACLES is proud to offer the opportunity to acquire certification as a "Physician Certified in Wound Healing". The Council for Medical Education Testing (CMET) is the most recognized certification of its kind in wound care, and the only organization providing physician-specific certification for all prescribing physicians (MD, DO and DPM). To register, see details on the registration form.
