

CAPABILITY STATEMENT

Inspired Strategies, LLC

Inspired Strategies, LLC provides strategic business planning and visioning services for both public and private organizations. After nearly 30 years of successfully facilitating strategic business plans and leading, coaching, and mentoring individuals, founder Karen Scott, a licensed civil engineer, aligned her passion for strategic planning, team collaboration, an organizational transformation by launching her own business to provide these services to a wider array of clients. Karen utilizes her technical skills as an engineer to work toward a common goal for the community and apply the principles of project design/management, capital planning and financial programming to implement improvements for the benefit of the public. She brings years of tangible and meaningful experience in support of municipal and transportation business management, public involvement and community connection, soft skill techniques in support of human resources and a strong technical basis for engineering, planning and infrastructure development. Karen brings her passion for strategic planning directly to you to realize organizational transformation to be effective, efficient and totally amazing!
