Hey all hope your summer is busy and sunny. It's been beautiful so far. Lots of things have been going on in Michigan Abate.

I went to Jason Wentworth coffee hour. Ummmm he wasn't there. Sent a nice young man that had no idea what SB 4809 was all about. Region 21 and region 6 tried to explain to him exactly what it was about. We made paperwork for him we gave him signed letters we gave him the paperwork that Dondi wrote up. Dang we even gave him a sign. So this morning I wrote him again. Have you done that. He has an email he has a Facebook page he has a phone number. He is speaker of the house in our region. Please please contact him one way or another. When you do please share the info with me. A lot of reps are saying they don't hear from us. Well I know we have tried and tried. So what's my advice try again. If we don't do this we are going to lose so much like our homes our savings our peace of mind. If that doesn't get you moving I have no idea what to do. It's up to US.

The field meet has come and gone. One of the best in a very long time. I personally want to thank the committee for all its hard work to make this a blast. We were so crowded that people shared their campsites with others. You guys all rock. The auction went well and yes I had to get just a little undressed but it was worth every dang penny. Thank you all for donating things to silent and live auction. You made it a great time. Thank you to woody region 3 RC for the vendors and taking such good care of them. I invited a vendor and he will be back. He is also the one that make our bike show trophies. Thank you to Pam who headed up the event. It's a hell of a lot of work folks. The only real issues was the 1.5 dirt road. And no porta potties in the back forty rustic camping. It is being addressed for sure. We will try to make everyone happy. The bike show was attended but not by many as everyone wanted to explore the area. Going to look at something different maybe a different time. Got ideas let region 6 know. Or if you want to do the bike show for rocket points let Pam or I know. The winners were

Trike: Butch

Chopper: General

Vintage: Tom or as I call him Sid

Sportster: Chris

Cruiser: Leah

Metric: Chad

Bagger: Zach

Crazy wheels: Mike

And people's choice went to

Leah for her cruiser.

Thanks to you all. If I forgot anyone drop me a shout and I'll add it next month. I was a little busy. Thanks to my girls for helping me count and set up

July 17th is our Memorial Run. To honor friends and family that we have lost. Rick will be leading the pack and you all know he does a great job. So come out and see us for a day of fun. We will also have our meeting that day when you get back. Cash bar cash menu. Hoping to work on a few new things next year to get more people involved

We are selling tickets and more tickets are you selling yours?? Get it done as we know only you can do. Turn them in to Mimi as you sell them. It's getting closer and closer to the date they all must be turned in. Hope all can attend the event to see who wins the bike. Maybe it's you or someone you sold a ticket too.

Thank you for voting at the field meet. You have me for another year. I will do my best to make it a great year. Please let me know if you have any concerns. I will listen and help if I can

Till next time get busy with those reps make a plan to ride with the wind and the sun on your face. Be safe be happy.

As always peace
Merry Garrett RC
