Dear Members:

We are updating our email database and want to ensure that we have your current contact information.

The Local uses email to provide updates. This will be particularly important as we prepare for and begin collective bargaining in the coming months.

We are asking that recipients of this notice **THAT WANT TO RECEIVE EMAIL COMMUNICATION** from the Local please reply to contactinfo@cupe116.com

Those who do email/reply to the contact info email address will then form our new email database.

Thank you for your attention and please understand that this request will be sent a few times in the coming several weeks.
