DESCRIPTION: Great looking and performing vintage Root recurve. Very smooth and accurate for an old bow. 6" sight window. Forest green woven glass on the face and white glass on the back. No delamination; no cracks; limbs are straight. Tip overlays are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and scuffs on the limbs and riser. Overall, this is a really nice bow in excellent condition for its age.
