PETITION NO. 11

PETITION FOR APPROVAL OF
PROCEDURES FOR THE SALE OF
FURNITURE KING ASSETS

12 (Assigned to Judge Lori Horn Bustamante)
13

14 Peter S. Davis, as the court appointed Receiver, respectfully petitions the Court for an
15 Order approving certain procedures for the liquidation of assets of Furniture King, LLC,
16 Furniture & Electronic King, LLC and Scott's Fine Furniture, LLC as follows:

17 **I. RECEIVER'S ACTIONS TO LOCATE, SECURE AND INVENTORY FURNITURE
KING ASSETS**

18 1. On August 18, 2016, this Court entered its *Order Appointing Receiver* which
19 appointed Peter S. Davis as Receiver of DenSco Investment Corporation ("Receivership
20 Order").
21

1 2. The Receiver, during his investigation into the assets of DenSco, determined
2 that DenSco is a secured creditor of Furniture King, LLC, an Arizona limited liability
3 company formed on August 26, 2011, Furniture & Electronic King, LLC, (“FEK”) an
4 Arizona limited liability company formed on December 4, 2015, and Scott's Fine Furniture,
5 LLC, ("SFF") an Arizona limited liability company formed on March 23, 2016 (Collectively
6 hereinafter (“Furniture King”) with a secured interest in all of Furniture King’s accounts,
7 assets, equipment and the proceeds thereof. More specifically, pursuant to a Forbearance
8 Agreement dated April 16, 2014, between DenSco and a DenSco borrower, Yomtov Scott
9 Menaged, DenSco is a secured creditor of Furniture King pursuant to the terms of a perfected
10 security agreement and a UCC-1 Financing Statement [Recorded at 2014-001-5063-0].
11 Given that FEK and SFF are the continuation of Furniture King, LLC, the Receiver is a
12 secured creditor of all assets of Furniture King¹.

13 3. The Receiver, given his secured interest in all of Furniture King’s assets and in
14 conjunction with the Bankruptcy Trustee for Yomtov Scott Menaged, [the sole owner of FK,
15 SFF and FEK] entered into a Settlement Agreement in the Bankruptcy Court and filed a
16 Stipulation in the Receivership Court seeking, among other things, to place FK, SFF and FEK
17 into Receivership for the purpose of liquidating the Furniture King Assets.

18 4. On September 19, 2016, this Court entered its *Order Placing Furniture King,*
19 *LLC, Scott’s Fine Furniture, LLC and Furniture and Electronic King, LLC in Receivership*
20 *(“Furniture King Order”).*

21 _____
¹ The Receiver is unaware of any other secured creditors of Scott's Fine Furniture, LLC and Furniture & Electronic King
LLC.

1 5. After the entry of the Furniture King Order, the Receiver surveyed the known
2 locations of the Furniture King Assets. Specifically, four known retail locations at 1660 S.
3 Alma School Road, Mesa; 5905 W. Bell Road, Glendale; 7320 W. Bell Road, Glendale; and
4 13550 W. Van Buren St., Goodyear. The Receiver also located a warehouse located at 34 N.
5 45 Ave in Phoenix (the “Furniture King Warehouse”). Upon inspecting these locations, the
6 Receiver discovered that two retail locations (5905 W. Bell and 13550 W. Van Buren)
7 contained Furniture King Assets, while the other two were vacant. Meanwhile, the Receiver
8 was also able to gain entry into the Furniture King Warehouse and determined that it
9 contained a significant amount of Furniture King Assets, in the form of both pre-assembled
10 furniture and other unassembled furniture in their original packing boxes.

11 6. On September 20, 2016, the landlord at the 5905 W. Bell Road store (which is
12 approximately 15,000 square feet in size) allowed the Receiver’s team to access the former
13 Furniture King retail location. Soon thereafter, the Receiver began to inventory the Furniture
14 King Assets in the Bell Road location. The next day, the landlord changed his mind and, and
15 in a hostile manner, prohibited the Receiver from entering the Bell Road location. The
16 Receiver, in conjunction with state and local law enforcement [and pursuant to provisions of
17 the Receivership Order], made forcible entry into the Bell Road location and facilitated the
18 removal of the Furniture King Assets. The Receiver used the services of Atlantic Relocation
19 Systems, to remove the Furniture King Assets from the Bell Road location and delivered
20 them to warehouse space obtained by the Receiver at the Cowley Industrial Park located at
21

1 625 S. 27 Avenue in Phoenix² (“SAM Warehouse”). Due to the difficulty with the landlord
2 at the Bell Road location and the concern that there would be additional complications in
3 getting access to the Furniture King Assets, The Receiver decided to move the Furniture King
4 Assets out of the Bell Road location as quickly as possible. The removal of the Furniture
5 King Assets from the Bell Road location to the SAM Warehouse was completed in less than a
6 day by utilizing thirty (30) movers, four supervisors, two drivers and six semi-truck trailers,
7 at a total cost of \$14,737.00.

8 7. On October 4, 2016 the Receiver gained access to Furniture King Assets
9 located at 13550 W. Van Buren and began to inventory the furniture located at this former
10 retail location. The Receiver contracted with Atlantic Relocation Services and on October 7,
11 2016, five movers and one supervisor arrived to do the preparatory work to move the
12 Furniture King Assets to the SAM Warehouse. Over the next few days, Atlantic Relocation
13 moved the Furniture King Assets located in the W. Van Buren location to the SAM
14 Warehouse. The total cost of the move of the Furniture King Assets to the SAM Warehouse
15 was \$9,876.00.

16 8. With the Furniture King Assets removed from the two retail locations, the
17 Receiver turned his attention to the Furniture King Warehouse. The Furniture King
18 Warehouse is 14,121 square feet with six (6) 30-foot, three-tier racks that stretch the entire
19 length of the warehouse. Stored inside the Furniture King Warehouse were thousands of
20 pieces of furniture, stacked quite high, both assembled and in boxes.

21 ² The Receiver required the use of the SAM Warehouse because as detailed herein the Furniture King Warehouse was nearly completely full with Furniture King Assets.

1 9. As set forth above, the Furniture King Assets from the former retail locations
2 are being secured at the SAM Warehouse, where the former retail inventory sits on 24,790
3 square feet of warehouse space. At a monthly rental cost of \$0.25 per square foot plus fees
4 and taxes, the Receiver has incurred a monthly expense of \$8,268.00 to store the Furniture
5 King Assets from the former retail locations. The Furniture King Assets located at the
6 Furniture King Warehouse remain secured inside the warehouse with the Receiver entering
7 into a month-to-month lease with the landlord of the Furniture King Warehouse at a monthly
8 rental cost of \$5,648.00 per month.

9 10. Attached as Exhibit 1 is the complete inventory of the Furniture King Assets
10 located at both the SAM Warehouse and the Furniture King Warehouse. As set forth in the
11 inventory, the Furniture King Assets consist of 5,766 pieces of assembled and unassembled
12 furniture.

13 11. As detailed in the attached inventory, the Furniture King Assets constitute a
14 massive amount of consumer home furniture. Given the challenges of securing and protecting
15 this massive inventory of furniture, the Receiver determined that it would not be cost
16 effective to move all of the Furniture King Assets located in the Furniture King Warehouse to
17 the SAM Warehouse, but rather, the Furniture King Assets should be maintained at two
18 warehouse locations. Specifically, the Receiver determined that the cost to move the
19 Furniture King Assets from the Furniture King Warehouse to the SAM Warehouse would
20 cost approximately \$78,390.00.

21

1 the two warehouse locations. After the online liquidation is complete, the Receiver
2 recommends that any remaining Furniture King Assets be sold through a public auction or
3 sale.

4 15. Before deciding on recommending on an online liquidation sale of the Furniture
5 King Assets, the Receiver explored conducting a series of public auctions to liquidate the
6 Furniture King Assets. After speaking with a series of auctioneers and related industry
7 professionals, it was determined that the most that the Receiver could expect to receive as
8 gross sale proceeds from a series of public auctions was approximately 10% to 20% of the
9 wholesale value of the Furniture King Assets. Essentially, the Receiver was advised that a
10 public auction would result in the recovery of approximately \$200,000.00. While it is
11 generally known that the prices obtained at a public auction are essentially the liquidation
12 value of any property, armed with this knowledge, the Receiver explored other methodologies
13 to liquidate the Furniture King Assets in an effort to maximize recoveries to the creditors.

14 16. The Receiver explored the possibility of returning the Furniture King Assets
15 that remained in their original boxes to the furniture suppliers. Specifically, the Receiver
16 contacted the two main furniture suppliers that Furniture King had utilized, Coaster Furniture
17 and Poundex Furniture in order to determine whether these manufacturers would accept a
18 return of unopened merchandise for a refund. During the series of conversations with
19 Poundex, it was explained that Poundex does not accept returns on previously purchased
20 furniture. Coaster Furniture, however, would accept the furniture back and offered to pay the
21 Receiver the wholesale price of the item returned. However, the Receiver would have to

1 arrange for the furniture to be shipped back to the Coaster Furniture Los Angeles distribution
2 center, and agreed to be assessed a restocking fee of 20% of each item of returned furniture.
3 As an example, a sage fabric recliner which had a retail price of \$399.00 could be returned to
4 Coaster Furniture. However, the wholesale price for the recliner was \$100.00. After the
5 payment of the restocking fee, which 20% of the wholesale price, the return of the recliner
6 would result in the recovery of \$80.00, or approximately 20% of the wholesale price, and this
7 amount is not taking into consideration the cost to transport the recliner to Los Angeles.
8 Accordingly, the Receiver determined that it was not cost effective, at this time, to seek to
9 return the Furniture King Assets to Coaster Furniture.

10 17. The Receiver also explored the possibility of conducting a large liquidation sale
11 of the Furniture King Assets at a retail location in the greater Phoenix metropolitan area.
12 Conceptually, the Receiver explored the possibility of leasing a retail location, stocking it
13 with the assembled furniture from the SAM Warehouse as “showroom” items and then
14 selling off the boxed furniture located in the Furniture King Warehouse. As items were sold,
15 the Receiver would periodically restock the retail location with items from the warehouse
16 until all items are sold. The Receiver explored this possibility with the consideration that
17 initially, the furniture would be would be priced at 30% off of retail list price and as the sale
18 progressed over weeks, the prices would be gradually lowered until the Receiver made the
19 decision to cease the retail sale and conduct a public liquidation auction. As set forth below,
20 after extensive research into the feasibility and costs of conducting a large liquidation sale of
21 the Furniture King Assets at a retail location in the greater Phoenix Area, the Receiver

1 determined it was simply economically untenable to liquidate the Furniture King Assets in
2 this manner.

3 18. In exploring the potential of a large liquidation sale of the Furniture King
4 Assets at a retail location in the greater Phoenix metropolitan area, the Receiver struggled to
5 locate potential retail locations to conduct the sale. After significant investigation, a retail
6 location was identified in Mesa at a cost of for \$1.00 per square foot per month³, however, the
7 landlord stated that the heating and air conditioning units had been damaged and he had no
8 intention of fixing this problem. Due to the monthly rental cost and lack of heating and air
9 conditioning, the Receiver decided not to proceed with this location. While the Receiver
10 discovered that there are very few former retail locations that might meet the Receiver's
11 needs, the Receiver explored the use of a former Chuck-E-Cheese restaurant in Mesa,
12 Arizona. After initial negotiations, the landlord would not accept any less \$1.20 per square
13 foot with a three-month lease that could be converted to a month-to-month arrangement, but
14 the Receiver determined that this was simply too expensive for the Receiver's needs⁴.

15 19. Given the lack of reasonably priced retail locations and the significant costs
16 associated with not only staffing a liquidation sale, but the considerable moving expenses
17 associated with stocking and restocking the potential retail location, the Receiver determined
18 that a large liquidation sale of the Furniture King Assets at a retail location in the greater
19 Phoenix Area was not a viable method to liquidate the Furniture King Assets.

21 ³ This location was approximately 16,000 square feet and would have resulted in \$16,000.00 of monthly rent.

⁴ This location was approximately 16,640 square feet and would have cost \$19,968 per month in rent.

1 20. The Receiver also explored the possibility of soliciting and accepting a single
2 bulk bid for the Furniture King Assets. In exploring this potential option, the Receiver
3 interviewed, among others, K-Mart Strategic Merchandising, a division of Sears Holdings,
4 which promotes itself as an entity to purchase unsold inventories from retailers. While K-
5 Mart Strategic Merchandising was unwilling to provide a specific quote for the Furniture
6 King Assets, they indicated that any bulk sale offer would be an amount far below the
7 wholesale price of the Furniture King Assets. Accordingly, the Receiver cannot, at this time,
8 recommend that the Furniture King Assets be sold in a single bulk sale.

9 21. The Receiver also investigated facilitating the liquidation of the Furniture King
10 Assets from the existing warehouses through the use of an online storefront. While
11 investigating liquidation options, a series of companies solicited the Receiver with this
12 concept of liquidating the Furniture King Assets through the existing warehouse locations use
13 of an internet based storefront. Essentially, conducting a liquidation sale from the existing
14 warehouses through an online store. Conceptually, the Receiver would engage a vendor who
15 would create an online storefront complete with stock photos for all of the Furniture King
16 Assets⁵, the vendor would conduct a marketing campaign on Google and Facebook and other
17 similar websites about the liquidation sale. When a customer purchased an item over the
18 internet, he or she would receive an invoice to print out and bring down to the Furniture King
19 Warehouse to pick up. The vendor would staff the warehouse for specific hours (to avoid the
20 costs of staffing a retail location for 8 to 10 hours a day). The vendor would be responsible

21 _____
⁵ During the inventory of the Furniture King assets, the Receiver collected the material information on each item of furniture that among other things contains a link to the stock photographs of the furniture items.

1 for all labor costs, but the Receiver would agree to pay for a marketing budget of
2 approximately \$10,000.00. With respect to compensation, the vendor would then charge the
3 Receiver a percentage from the sales proceeds. The vendor would also be responsible for
4 regular reporting to the Receiver regarding the sale and the effect of the marketing efforts.
5 Critical to this liquidation methodology, if the Receiver is not successful in selling the
6 Furniture King Assets, the only fees he would have to pay is a percentage of any furniture
7 sold and a modest amount of advertising expenses.

8 22. The Receiver continued to explore this option because it leveraged the low
9 leasing costs of the two warehouses (\$0.25 and \$0.40 per square foot, respectively) with the
10 benefit of no additional costs to move the furniture. To address the issue that both warehouses
11 are located in undesirable, industrial locations in Phoenix, an online storefront would be
12 utilized to sell the furniture and have the customers visit the warehouse only to pick up their
13 purchases.

14 23. After being convinced that the liquidation of the Furniture King Assets from the
15 existing warehouses through the use of an online storefront was the best liquidation
16 methodology, the Receiver obtained proposals from a series of potential vendors who could
17 conduct the sale. The final two vendors were Auction Nation and Surplus Asset Management.
18 While the two proposals were nearly identical, Surplus Asset Management agreed to accept
19 15% of all sales of furniture while Auction Nation offered to accept 20% of all sales.

20 24. Based on the foregoing the Receiver recommends that he be directed to finalize
21 a contact with Surplus Asset Management to facilitate the Furniture King Assets from the

1 existing warehouses through the use of an online storefront. A copy of the proposed contract
2 is set forth as Exhibit 2.

3 25. The Receiver has contemplated that it is unlikely that all of the Furniture King
4 Assets will be liquidated through an online storefront. Therefore, after the Receiver
5 determines that the online sales have slowed significantly, the Receiver proposes that the
6 remaining Furniture King Assets be disposed of by public sale, public auction, returns to
7 manufacturers, abandonment, or surrender as set forth in the proposed order submitted with
8 this Petition. The order permits the Receiver to utilize a public sale or a public auction to
9 dispose of the Furniture King Assets after the online sale has concluded, but no such sale can
10 take place, however, until a notice describing the time, date, place, and type of sale is first
11 provided to interested persons who have requested such notice.

12 26. If the Receiver is unable to dispose of an item of the Furniture King Assets by
13 public sale or public auction, or if the Receiver determines that the property has a value of
14 less than \$100.00, the proposed order permits the Receiver to:

- 15 a. Dispose of the property by a negotiated sale;
- 16 b. Abandon the property to anyone entitled to purchase the property or
17 donate the property to a charity;
- 18 c. Destroy the property; or
- 19 d. Surrender it to a lessor or secured lien holder.

20 27. Any of the interested parties to this lawsuit are free to bid on and purchase any
21 of the Furniture King Assets sold under the approved procedures, except that neither the

1 vendor or Receiver nor any of their employees or agents will be allowed to purchase or
2 receive such property.

3 28. In the Receiver's experience, property that is sold under the procedures set forth
4 in the proposed order sells for a fair and reasonable price although it is impossible to predict
5 whether the proceeds generated will be greater than the proceeds that would have been
6 generated by the sale of the items under other procedures. The Notice procedures provide a
7 process by which interested parties can object to specific proposals put forth by the Receiver,
8 although in his experience, such objections are rarely raised due in part to the reasonableness
9 of the procedures proposed herein.

10 WHEREFORE, the Receiver respectfully requests that the Court enter an order:

11 1. Approving the procedures set forth in the proposed order filed herewith and
12 summarized in this Petition and authorizing the Receiver to sell the Furniture King Assets of
13 the estate in accordance with those procedures;

14 2. Authorizing the Receiver to execute the contract with Surplus Asset
15 Management, attached as Exhibit 2, and any other documents as may be necessary to
16 effectuate the liquidation of the Furniture King Assets.

17 Respectfully submitted this 21st day of December, 2016.

CONTRACT

THIS AGREEMENT is made this 14th day of December, 2016, by and between Surplus Asset Management, Inc., an Arizona Corporation, whose address is 4111 West Clarendon Ave. Phoenix, Arizona 85019, hereinafter referred to as "Auctioneer" and Peter S. Davis, as Receiver of Furniture King, LLC, Scott's Fine Furniture, LLC and Furniture & Electronic King LLC., hereinafter known as "Seller".

NOW, THEREFORE, in consideration of mutual promises and other good and valuable consideration, the terms and conditions set forth herein, the receipt and sufficiency of which is hereby acknowledged, the parties' agreement is as stated:

1. Parties:

Seller is a Court Appointed Receiver committed to sell, in the manner described below, certain furniture inventories as detailed in the attached Exhibit "A". The property detailed on Exhibit "A" and by this reference, is incorporated into this agreement as the "Seller's Property".

Auctioneer is an independent contractor with the requisite experience and competency to facilitate the liquidation of the Seller's Property.

2. Method of Public Liquidation Sale of Seller's Property and Obligations of Parties:

The Auctioneer shall conduct a liquidation sale of the Seller's property as follows:

- Auctioneer shall design, host, implement and operate a website that will serve as an "online" storefront offering the Seller's Property for sale;
- Auctioneer's website shall contain photographs of each item of Seller's Property and contain the necessary technology to allow customers to purchase Seller's Property though the use of a credit or debit card;
- Auctioneer shall be solely responsible to either deliver (at a reasonable cost to the buyer) or make available to purchasers the Seller's property that is sold;
- Auctioneer shall be solely responsible to provide adequate staffing to ensure timely delivery or availability to purchasers of the Seller's property;
- Auctioneer shall be solely responsible to collect and remit all Local, State and Federal taxes to the proper authorities;
- Auctioneer shall be responsible to pay for and obtain any licenses, permits, bonds or the like, if necessary to sell the Seller's Property;
- Auctioneer shall be responsible to communicate to the Receiver any efforts to sell large

quantities of the Seller's Property to any wholesale furniture buyers or any potential bulk buyers of Seller's Property;

- Auctioneer shall provide weekly reporting to the Receiver setting forth the following information regarding the sale of Seller's Property:
 - The Number of unique visitors and page views to Auctioneer's online storefront;
 - A weekly report of all completed sales;
 - A weekly report of all pending sales [A pending sale is where an item was purchased but has not been picked up or delivered];
 - A weekly report of the total gross sales and estimation of the net sale proceeds to the Receiver after costs of sale;
 - A weekly report of the ongoing marketing efforts of auctioneer in an effort to drive internet traffic to the online storefront; and
 - A report, updated weekly, detailed the specific items that have been sold from Ex "A" and their gross sale price.
- Auctioneer shall remit all net proceeds net of out-of-pocket marketing expenses and auction commission fees from any sale of the Seller's Property on a weekly basis, with all funds made payable to: "Peter S. Davis, as Receiver of Furniture King";
- Auctioneer shall conduct its business operations in a professional manner and with good business practices so as to maintain a positive public image for both the Seller and the Auctioneer shall conduct the public auction to the best of their ability. However, Auctioneer does not guarantee a sale of Seller's Property;
- Receiver shall determine the duration of the sale and shall have sole responsibility to establish and modify the prices of the Seller's Property. Receiver, in his sole discretion, shall determine when efforts to sell the Seller's Property shall cease and the remaining inventory is to be sold at a bulk sale or series of public auctions; and
- Receiver shall cooperate with the Auctioneer in the discharge of duties under this agreement and shall refrain from all acts that reasonably tend to interfere with the Auctioneer's duties under this agreement.

3. Location of Liquidation Sale of Seller's Property:

Auctioneer acknowledges that the Seller's property is located at two locations. Specifically, Cowley Companies Industrial Park, Doc 75, 625 S. 27th Avenue Phoenix, AZ 85009, and Furniture King Warehouse 34 N. 45th Avenue, Phoenix, AZ 85043. The Receiver shall grant Auctioneer complete access to Seller's Property. Receiver agrees to maintain all utilities, throughout the auction and removal process, including but not limited to: heating, cooling, water, electric, security systems and fire suppression systems at the two locations that houses the Seller's Property so as to allow for an efficient and effective disposal of the Seller's Property.

All risks of loss to the Property shall remain with the Receiver until its sale and transfer of possession to any buyer. Accordingly, the Receiver will maintain at all times replacement insurance coverage on Seller's Property. Auctioneer shall not be responsible or liable for any

losses related to Seller's property, unless such loss is actually caused by Auctioneer, Auctioneer's agents, or Auctioneer's employees.

4. Compensation to Auctioneer

With respect to any sale of the Seller's Property via the Auctioneer's online storefront, the Auctioneer shall receive and Seller agrees to pay a 15% commission on the gross sale. If the Receiver elects to liquidate at least 50% Seller's property in a Bulk Sale or Public Auction, the Receiver agrees to pay Auctioneer a commission of 10% on the gross sale proceeds.

For sales in the online auction the Auctioneer may charge a buyer's premium of 10%. In addition, the online vender, Proxibid, charges a 3% fee for website use and 3% for credit card transactions.

5. Advertising Expenses

Seller agrees to a marketing budget of \$10,000.00 for advertising and marketing of the sale of Seller's Property. Auctioneer shall prepare a marketing budget and an advertising plan that shall be approved by the Receiver. The Receiver retains the sole right to increase the marketing budget. As the Auctioneer remits payments for the items sold, he shall withhold monies to cover the amount spent on marketing. The Seller shall not be responsible for any other advertising or unrelated expenses related to the sale of the Seller's Property.

6. Authority of Auctioneer

Auctioneer may sign any Memorandum of Sale on behalf of and in the name of Seller, or in Auctioneer's own name, in connection with the sale of Seller's property. However, Auctioneer may not make and warranty or representation of any kind as to the Seller's property. Nothing in this Agreement shall be construed to establish a partnership, joint venture, or co-employer or joint employer relationship between Auctioneer and the Seller for any purpose. Auctioneer shall have the sole and exclusive right to select and (subject to the terms of this Agreement) to direct its employees and to determine the terms and conditions of their employment. Auctioneer is not granted any right or authority to assume or to create any obligation or responsibility, express or implied on behalf of or in the name of the Seller or to bind the Seller in any manner, other than as expressly set forth here. Auctioneer shall at all times remain an independent contractor, with only the rights and privileges expressly granted under this Agreement.

7. Miscellaneous

Auctioneer and Seller (collectively the "Parties") agree to the following:

- This agreement supersedes any and all other agreements or understandings between the parties;
- This agreement shall be binding upon the Parties and upon their respective agents, employees, heirs, executors, administrators, successors in interest and assigns;
- Any disputes under this agreement shall be decided in the Receivership Court, applying the laws of the State of Arizona.

- Any modification of this agreement or additional obligation assumed by either party in connection with this agreement shall be binding only if it is in writing, signed by each party or an authorized representative of each party;
- In the event either Party must file an action to enforce any provision of this agreement, the losing party shall all attorney's fees, of the successful Party to the action;
- The invalidity of any portion of this agreement will not and shall not be deemed to affect the validity of any other provision. If any provision of this agreement is held to be invalid, the parties agree that the remaining provisions shall be deemed to be in full force and the affect as if they had been executed by both parties subsequent to the expungement of the invalid provision.

In witness whereof, the parties have caused this Agreement to be signed and in effect from the 14th day of December 2016
