CAPABILITY STATEMENT

DIFFERENTIATORS

Our team at K E Wheeler Construction offers a personal touch and a myriad of customized services to our clients that only a family owned business can accomodate.

- At K E Wheeler we are not only concerned about the profits to be earned, but also take pride in the services provided because we love what we do.
- There is an open door policy made available to all of our clients to encourage communication, and to discuss concerns about projects in question.
- We strive to perform more efficiently and make ourselves accountable for any issues that may arise.
- Our team focuses on perfection and quality control, rather than a speedy and less expensive production.
