Dear IASMC Nobles and Ladies,

I'm looking forward to working with each of you as we prepare for the competition in Indianapolis, Indiana. Being at the helm has been a challenge but a rewarding experience. I want to thank all of the Officers and Past Presidents who have helped me along the way.

Our team of line officers has worked hard to make this a successful year.

We were honored to have Imperial High Priest & Prophet Chris Smith and Imperial 1st Ceremonial Master Jim Cain attend our Mid-Winter meeting in Fort Worth, Texas in March. I was also proud to have support of my own from Moslah Motorized and Non-Motorized Units during this event.

A big welcome is extended to all motorized units and shrine centers coming to Indianapolis, Indiana. We look forward to everyone having a safe and enjoyable competition. The Caribbean Cover Hotel is the IASMC Headquarters Hotel and has plenty of parking for extra equipment at no charge. Our general membership meeting will be held Sunday June 30 at 2:00 pm at the Caribbean Cove Hotel followed by the Captains and Judges meetings, and of course, our Hospitality Suite for all Members.

We hope to see everyone at Competition on Monday July 1, at 7:00 am and at our Awards Banquet on Tuesday July 2 at 11:00 AM. It is imperative the organization have your response promptly for an accurate head count. Please see the competition and banquet reservation forms elsewhere in this publication or on our website and get your replies in to our Secretary/Treasurer as soon as possible.

Let's have fun together in Indianapolis, Indiana.

Yours In The Faith,  
*Rick D. Landers*  
President

## INTERNATIONAL

OFFICE OF  
ALAN W. MADSEN  
IMPERIAL POTENTATE

MEMBER  
OASIS SHRINERS  
CHARLOTTE, NORTH CAROLINA

### Welcome to the Annual IASMC Meeting

It is my pleasure to welcome you to the 2013 Annual IASMC Meeting during this year's Imperial Session in Indianapolis. In the spirit of family fun, fellowship and brotherly love, we are so grateful for the many kinds of opportunities available to our members, such as the motor corps. The fraternity truly does have something for everyone.

During this Imperial Year, we have made a concerted effort to focus on membership sustainability, retention and recruitment, and have asked that every noble make this a personal priority, as well as asking the temples to emphasize membership efforts. Together, we have the tenacity and ability to strengthen and increase membership. We have also asked that temples work closely with their fellow Masonic brothers, which can only benefit both organizations.

In addition to acknowledging efforts on behalf of the fraternity, we also want to acknowledge your continued support of the philanthropy, which we also greatly appreciate. Together, we have provided care for more than 1 million children – a truly extraordinary accomplishment!

It has been an honor and great pleasure to serve as your Imperial Potentate. Thank you for your commitment to Shriners International and Shriners Hospitals for Children.

Best wishes for a productive and enjoyable event!

Yours in the Faith,

Alan W. "Al" Madsen, Imperial Potentate

# Summary of Mid Winter Meeting Minutes - Ft Worth TX March 23, 2013 and Proposed Changes for Balloting at June 30th General Membership Meeting

## IASMC Mid Winter General Meeting Convened March 21, 2013 at Homewood Suites Hotel, Ft. Worth Texas

The meeting was called to order by President Rick Landers and the Invocation was given by 3<sup>rd</sup> Vice President Howard Helwig. The Pledge of Allegiance followed and introductions were made. The meeting was attended by all 7 IASMC Officers: Rick Landers - President; Jack Knight - President Elect; Danny Garcia - 1<sup>st</sup> Vice President; L.P. Brown - 2<sup>nd</sup> Vice President; Howard Helwig - 3<sup>rd</sup> Vice President; Mike McLaughlin - Sgt at Arms and Jay Alfirevic - Secretary Treasurer. Four Past Presidents attended - Medd Box, Bruce James, Lindsay Ocker and David Vaughn. 17 members at large also attended including regional representatives from TSMFA (Tooter McDonald & Steve Phelps), GLASMC (Bruce James) and CSASMC (Brad Waite). Imperial Officers Chris Smith and Jim Cain attended our meeting. 8 units, 11 temple representatives and 15 total votes were noted as present with paid dues. The Black Camel noted the passing of Howard Helwig's Mother In Law. (Following the meeting we were notified of the passing of IASMC Past President Sam Noel. A donation to Shriners Hospitals Children was made in his memory). Minutes from the July 2012 annual meeting in Charlotte NC were read and approved. The Treasurers Report was given. At that time 178 Memberships were paid vs a total of 437 for 2012 from 18 vs. 31 Temples; additional memberships are expected to come in advance of the Imperial Session. A current Bank Balance \$14,700 was noted. An audit committee review will be completed at the annual session in Indianapolis. It was also noted IRS form 990N has been filed for 2012 and that the required Fidelity Bond is in effect. Various officers gave activity reports - Mike McLaughlin noted attendance at Midwest MidWinter Meeting, Howard Helwig at MidAtlantic, LP Brown at New Orleans and Florida (FASMC) - he also noted upcoming April Midwinter meeting for South East in Georgia as well as the very successful Sam Swope Charity ride from Bahia Temple on 3/10 which raised significant funds for the Hospitals. Danny Garcia noted that for Imperial 2015 in Houston the competition will be held in an indoor arena and that he will inspect the surface in advance to validate that there is sufficient traction for conducting 2 wheel competitions. 2015 Midwinter will be in San Antonio in March - exact dates TBD. Jack Knight recognized Past President Lindsay Ocker as being made board member at the Shreveport Hospital. Jack Knight noted that his 2014 MidWinter will be in Houston TX in March 2014 - likely 3/20-23 but to be finalized and announced at Imperial Session on June 30<sup>th</sup>. President Rick Landers then reviewed assigned responsibilities and assignments for this year's competition in Indianapolis. Competition will be held 7/1 at the Lucas Oil Field. The IASMC headquarters hotel is the Caribbean Cove. Flyers for hotel reservations, dues, competition team registration and banquet registration are to be posted to the IASMC website and subsequent email reminders have been sent to all emails on file and to all Temple recorders by Sec /Treas Jay Alfirevic. A discussion of new trophy ordering was also held and it was decided that surplus trophies from prior years would be donated to a charitable organization such as Special Olympics. There was discussion that IASMC would pursue use of the Midwest Trailer for Minneapolis in 2013 to save costs and that the IASMC trailer would be transported directly from Indianapolis to Texas by Jack Knight if Midwest approved. A final call for 2013 Cakras ads was made. A discussion was begun that we might at some future period migrate to alternate forms of communication and ad revenue including ads on our web site and or the use of social media such as Facebook to reduce costs of Cakras printing and distribution while benefitting from more timely, up to date and frequent communications. Discussion of adding new classes for antique and or custom show vehicles including bikes, cars, tractors etc. was discussed and will be explored for 2014 implementation. **We are still seeking a candidate for 2013-2014 Sergeant at Arms - Interested members should contact IASMC Secretary Treasurer ASAP.**

**Specific actionable items: Three ByLaw Changes and One Competition Rule Change** were motioned by Past President Bruce James, seconded, discussed, voted and approved without any objections. These will now be presented to the General membership at the June 30<sup>th</sup> meeting and balloted for implementation. The changes are as follows: 1) Bylaw 2-C - re Officer candidate attendance at Midwinter - change "Shall" to "is requested to". Add sentence: "In the event a candidate is not able to attend Mid Winter candidates may be qualified by the officers via teleconference, personal meeting or other appropriate means and will then be balloted upon at the annual general meeting". 2) Section 3 & 3A - Change vote from one vote per Temple to one vote per Unit, with a unit being comprised of a minimum of 4 active members. 3) Communications - change wording in Article V Section 1 and Article VII Section 1 to allow electronic communication by email and posting on IASMC web site vs. physical mail or publication. Items requiring balloting will be posted / disseminated at least 30 days in advance. Competition rule change: Class 5 modified to "Uniform Touring Bikes" vs. "Harley Hogs" with "uniform" meaning same Make, Model and Color, but allowing for Year, minor color variations within color class (e.g. different shades of white, blue, red etc recognizing "stock" colors change year to year, but NOT mixed colors) and Minor Standard Equipment Variations without deduction.

Comments were addressed to the group by our visiting Imperial Sirs. Highlights included: **Imperial Sir Jim Cain** promoted support of units and group harmony; supporting the hospitals and increasing referrals. He updated the group on the recent cost reduction efforts at the hospitals and the progress made with the Revenue Cycle initiatives. An update was also given re the challenges between the Grand Lodges and the Shrine being experienced in Arkansas and South Carolina. He encouraged all Nobles to attend the general sessions in Indianapolis and noted that all Shriners are able to attend, not just Divan or designated representatives. **Imperial Sir Chris Smith** noted his ties as a 25 year Motor Corps Member and the importance of unit involvement. He also noted Imperial Potentate Al Madsen as being a unit man from the Clowns. He further commented on the evolution and change being experienced at the Hospitals as we must shift from inpatient to outpatient treatment focus in keeping pace with current medical practice and the shift in FTEs and infrastructure which accompany this. He elaborated with numerous case example details including discussion of the Mexico City hospital, a new clinic in Tijuana, the new hospital groundbreaking in St Louis, changes in Pasadena, affiliation models in Lexington etc. He also noted that David Regan of NASCAR has adopted our charity and has a Shrine Logo on his car. He also reiterated and encouraged the nobility to attend the Shrine general sessions in Indianapolis.

**Meeting Adjourned.**

#### DRILLS

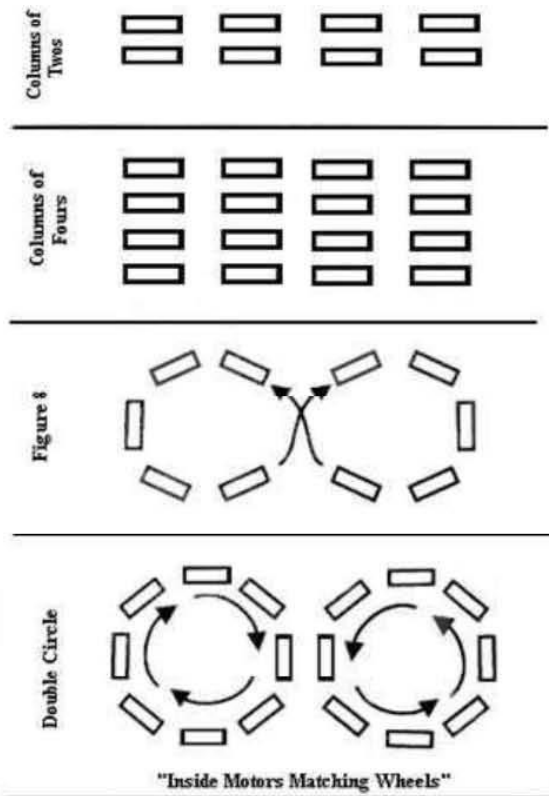

The number of drills by each competing unit shall be at their discretion but must contain a minimum of four (4) basic maneuvers as follows:

#### **TWOS FOURS FIGURE EIGHTS DOUBLE CIRCLE WITH INSIDE VEHICLES WHEELS MATCHING.**

They must be executed in a manner recognized by all **Field Judges**. It is illegal to stand on the seat of any vehicle while on the competitive drill field. Standing on the footrests of a two (2) wheel vehicle is acceptable as long as the rider has full control of vehicle. Kill switches are not a requirement of the International Association of Shrine Motor Corps. It is a Federal Law that this feature be installed at the factory. The number and types of drill maneuvers by each competing unit shall be at their discretion, but must contain a minimum of four (4) basic maneuvers. They are TWO'S, FOUR'S, FIGURE EIGHTS, DOUBLE CIRCLES WITH INSIDE WHEELS MATCHING. These required maneuvers may be performed in conjunction with optional maneuvers. Other maneuvers will be considered by the Head Judge under Category IV,

#### IX. Variety of Drill.

All drill maneuvers must be executed in a manner clearly recognized by the Head Judge. A list of the maneuvers that a unit is performing may be presented to the Head Judge in order to facilitate their recognition. Only the number of optional maneuvers performed is counted and not the number of times they are done.

1. Course to be run on time.
2. A team shall consist of at least two (2) riders/drivers from the same unit. Any number of riders/drivers from the same unit may compete. The total team score shall be computed by adding together the two- (2) lowest individual total time scores posted by each rider/driver from the same unit. No rider/driver shall be allowed to compete with more than two- (2) weight classifications within his Temple.
3. The same vehicle cannot be ridden by more than one rider that are contestants. There must be two riders and two vehicles, and they are the same two vehicles used in the drill competition.
4. Each rider's time will start as front wheel crosses starting line and end as front wheel crosses finish line.
5. There will be no penalty if a foot touches the ground.
6. One second will be added for each cone or pylon that is moved or knocked over and has to be replaced by the judge on the field.
7. If the rider leaves the course pattern as laid out, he must re-enter at the place where he left the course.
8. No contestant may ride the obstacle course before the start of competition. Anyone doing so will be disqualified. He may walk the obstacle course prior to the start of the competition.
9. If the obstacle course rider is other than competing member of his Corps, he and his equipment must stand inspection with his Corps.
10. Following Corps inspection, no equipment shall be removed.

**Contestants must wear a DOT approved motorcycle helmet on the Obstacle Course Field, whether a 2, 3, or 4 wheeled rider.**

#### INSTRUCTION TO THE JUDGES

It is not the intention of the IASMC to tell the judges how to appraise each unit for the scores they think it is entitled to or has lost because of something they see. We believe that a unit should not be discounted because of minor chips in paint or bluing of exhaust pipes, so long as they are polished and neat. This could happen to a motor just coming to the drill field. If it is their desire to award the unit all points it is allowed, then they will leave the space blank. However, if they wish to discount a unit points, they will put down only the amount they want to penalize the unit for each part on the score sheet. A penalty of 1/10 of a point per violation will be given on inspection.

Deducting points for each mistake made on the field as per the score sheets will score riding competition. Five judges will be used. The high and low scores of these judges will be discarded. The remaining three will be averaged and deducted from 100. This is the score for the participant. It is not the desire of IASMC to interfere with the nomenclature or types of maneuvers that a unit performs. The number of maneuvers (other than required) is counted as an objective count of variety. The highest number of optional maneuvers performed in each classification is used as the denominator for each other unit in the classification and that number multiplied by ten (10) determines the Score for Variety. The Chief Scorer will perform that function.
