

Agape Montessori 2021 Summer Program

“The Great Galaxy Adventure”

The school year is almost over, and summer is quickly approaching. Our summer program will officially begin on Tuesday, June 1st. Our theme this summer is The Great Galaxy Adventure. The children will learn all about our Solar System, the planets, and constellations. They will learn how to map stars and learn the difference between regular planets and dwarf planets. A calendar of events is attached.

McCracken’s Swimming Lessons: Once again, we will be offering swimming lessons at McCracken’s Gymnastics and Swim School this summer. There will be 4 sessions throughout the summer at a cost of \$91 per session. Please request a brochure at drop off or pick up if you are interested. The sign up for the first session will begin Monday, May 17th. I will have the sign-up sheet on a clipboard which will be handed to you at the front entrance upon request. You may either call McCracken’s directly to make a payment or give us a check made out to McCracken’s. McCracken’s phone number is 913-782-8555. **Children must be 3 years and potty trained to participate. Space is limited!**

Water Bottles

To cut down on spreading of germs, we ask that each day you send a water bottle for your child. This can be a plastic bottle of water they can dispose of it each day or you can send a reusable covered cup that will be sent home each day to be washed and sanitized. Students will keep their water bottles in their cubbies and can access them at any time during the day. Please be sure to write your child’s name on his/her bottle.

Sunscreen: We will be using Equate SPF 50 sunscreen this summer. If you do not wish your child to use this type of sunscreen, please send a bottle of the sunscreen you wish us to use with your child’s name on it. **NO SPRAY SUNSCREEN PLEASE.**

Closed Toe Shoes: Please remember that it is our policy for all students to wear closed toe shoes. This is for the safety of your child’s toes.
