

Ashtead All Stars 2020-2021 Update No.16

Sunday 30th May 2021

Dear all,

We have wanted the sun to shine for a long time now, but yesterday our girls were struggling to acclimatise and they found it very tricky in the heat. However, the weather was the same for both teams, and Shan Netball put out some strong teams who seemed to cope better. Lovely matches though, and I hope the girls enjoyed playing.

I would like to make a special mention to our Ladies teams this week. The Ladies A team and Ladies B team started their Summer League campaign, and had two superb wins. The A team beat Hampton A who are 6 divisions above us in the winter league, and the B team beat a strong team from The Downs.

The loveliest part, however, is all the wonderful comments we get from umpires and opponents who can't believe how young our girls are, how accomplished they already are and how unassuming. Girls, you are a credit to your parents, the club and us as coaches.

Here are this week's results:
