

Our Security Task Force has been working with Chief Logan of the Tuscumbia Police Department and the churches in the downtown area of Tuscumbia to develop a police presence on Sunday mornings. Beginning this Sunday, August 5, you will see a Tuscumbia Police officer in a patrol car moving around the churches from Calvary Baptist to First Presbyterian. Officer Wes Holland will be the patrol officer most Sundays, and our ushers will have his cellphone in case of an emergency. The downtown churches are working together to fund this police presence. Our Administrative Team has adjusted their budget to cover our part of the funding.
