Perhaps too many people to readily name,

Chris Noel and Ken Kalish  
Are Don Fox, Joe Ciokon and

Dickie Ellis explaining the "facts of life" to Tom Fowlston and Steve Ashley.

**The next four photos were taken the evening of October 5th, 2012 after we got back from the tours to Graceland and Sun Studio. But, because there are only four of them they have been added to the Hospital Night on the 4th.**

Tom Folston trying to get an old 16mm projector to work.  
The belts were in such bad shape that it turned out to be a lost cause.
