Resident Chris Shubeck discussed the waste hauling charges in Bell Canyon for residents involved in construction and related matters. There is no competition and believed that waste hauling charges by Waste Management are excessive. Shubeck believes that a contract for waste hauling other than the services provided by Waste Management would save costs to residents. \*Director Eric Wolf brought up factors associated with waste hauling. Waste Management costs are high. J & L Hauling was contacted. Waste Management proposed new rates for hauling waste other than the contract that currently exists between Bell Canyon and the CSD. Director Wolf was able to arrange reduced rates based on delivery and ton. Old rate is \$241 for delivery and will now be \$230. From \$68 to \$58 per ton. \$51 to \$48 per ton for green waste. \$34 per ton for concrete in no change in price. \$68 per ton for demo and construction materials. NO change in this price. Director Wolf will continue to work on this matter.

Michael Glassman spoke about Waste Management Valet Program. The above discussion does not impact the Waste Management Valet trash can program.

Greg McHugh brought up the Waste Management Valet program and service at his daughter's Bell Canyon home. Valet service is being paid for and the service is not and has not been provided at his daughter's residence for a long period of time. The charge has been stopped. Vice President Bill Speer will work with Waste Management and Mr. McHugh's daughter to obtain a refund of the money paid.

Ian Shrago discussed the homes damaged from the recent fire. Mr. Shrago believes that the damaged homes need fences around them. The CSD is not responsible for fencing private property. Responsibility is with the property owner.

4. **Approval of Minutes from previous Board Meeting.**

Motion by Vice President Bill Speer and seconded by Director Eric Wolf to approve the minutes. Correction on the budget. Section 6 stated the budget was under by \$600. It was actually under by \$300. All voted to approve the minutes.

HOA personnel Jenni Mandelblatt and Bri Walker discussed the CSD funds for community programs. They were not \$700 over budget rather \$50 under budget.

This year they are asking for \$86,00 from the CSD for community social events, The actors working the Halloween event are paid \$1,600 for 4 hours. HOA staff working on the CSD events are all paid \$52,50 an hour since they are all on overtime.

CSD Financials: End of January \$1.7 million in the savings. End of February \$1.663 in the bank drawing interest. January Treasury Report was moved for approval. Director Eric Wolf made the motion and Vice President Bill Speer seconded. All voted to approve.
