

**AN ORDINANCE BANNING THE USE OF LEAD BASED MATERIALS  
IN ALL POTABLE WATER SYSTEMS IN THE VILLAGE OF  
INNSBROOK.**

**BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF  
INNSBROOK, AS FOLLOWS:**

**SECTION 1: Definitions.**

The following definitions shall apply in the interpretation and enforcement of the ban of lead based materials in potable water systems:

*Consumer:* The owner or person in control of any premises supplied by or in any manner connected with a public water system.

*Lead Based Material:* Any material containing lead in excess of quantities specified in Subsections (1) and (2) of the definition of "lead free".

*Lead Free:*

1. When used with respect solder and flux, refers to solder and flux containing nor more than two tenths percent (0.2%) lead; and
2. When used with respect to pipes and pipe fittings, refers to pipes and pipe fittings containing not more than eight percent (8%) lead.

*Public Drinking Water System:* Any publicly or privately owned water system supplying water to the general public which is satisfactory for drinking, culinary, and domestic purposes and meets the requirements of the Missouri Department of Natural Resources.

**SECTION 2: Purpose.**

The purpose of this Section is to ban the use of lead materials in the public drinking water system and private plumbing connected to the public drinking water system and to protect the public from lead contamination in the public drinking water systems and in private plumbing systems in the Village of Innsbrook. The cooperation of all consumers is required to implement this lead ban.

**SECTION 3. Intent.**

It is the Village's intent to ban the use of lead based material in the construction or modification of a public drinking water system. If lead based materials exceeding the limits specified above are used in new construction or modification after passage of this section due notice shall be given to the consumer. The consumer shall immediately comply by having the lead based materials removed from the plumbing system and replaced with lead free materials.

**SECTION 4. Removal of Lead Based Materials.**

If it is determined that in new construction or modification of private plumbing that lead materials were used such materials shall be removed. This does not require removal of any pre-existing plumbing.

**SECTION 5. Violations.**

Any person who violates the sections above and is found guilty shall, in addition to any and all other remedies provided herein, be subject to pay a fine of not less than one dollar (\$1.00) and not more than five hundred dollars (\$500.00) or be sentenced to a term of not more than ninety (90) days in jail or be punished by both such fine and imprisonment.

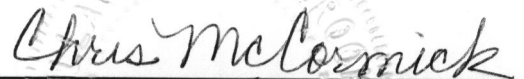

**SECTION 6:** All ordinances or parts of ordinance in conflict with this Ordinance are hereby repealed.

**SECTION 7:** This Ordinance shall be in full force and effect from and after its passage and approval by the Chairman.

This Bill was passed and approved this 9th day of December, 2014, by the Board of Trustees of the Village of Innsbrook after having been read by title or in full two times prior to passage.
