Geoff Orlandi , Flight Instructor
Blairstown Airport
36 Lambert Road
Blairstown, NJ 07825

Dear Geoff:

I wanted to take a few minutes to simply thank you for being my flight instructor. I looked at a few of the other airports for flight training, and none of them offered what Blairstown had to offer. I was so lucky to find an instructor who was willing to teach me not only the basics of flight, but also the safety procedures and importance of preflight inspections. I appreciate the information and advice you have given, as well as the aviation knowledge you have shared with me. Your expertise and help have been invaluable during my private pilot training.

Again, thank you so much. I sincerely appreciate your generosity, and expertise. I truly was in the right place at the right time when I came across your intro to flight package. I feel safe flying in the sky with my family after training with you. I look forward to continuing my flight training with you now that I have earned a private pilot certificate, and I would not hesitate to recommend you to any person interested in flight.

Sincerely,

Michael J. Nieman
