OLD BUSINESS:

Police Chief Coonce informed the Board that KC Wireless had the Explorer to remove the police equipment before it was to be sold on Gov Deals.

Fire Chief Miles stated the new Fire Department Chief’s Explorer would be delivered in July to the vendor and they will add the customization and equipment. It should be completed at the end of August for final delivery. Miles also noted that he was still working on the bids for the roofing repairs. Once bids are received, he will work with the Village Attorney and MadSky Roofing to see about resolving the situation.

Trustee Thompson asked that the mowing be completed behind the Community Building.

Trustee Hook updated the Board on the project at the end of Eugene Field Road. Hook stated that Kissick Construction did put up a fence for Resident, Sheila Newland. She was made aware that if there are other issues with access for ATV’s that she can work with the Road District directly as they have a plan to add boulders they have available. The project on behalf of the Village is complete. He asked about the mowing under Poe St. Bridge. Clerk Chapman said she would follow up with Public Works in the morning. He asked about the timeline for additional projects such as the handbook and the codification of the ordinances. Chairman McClure stated she wanted to set up work sessions on Monday, July 2 and July 16 to address the employee handbook, zoning ordinances, liquor ordinances, and business licenses. It was the consensus of the Board to hold work sessions on the dates suggested at 6:00PM at the Community Building.

Village Clerk Chapman assisted Trustee Sulzberger, on behalf of the Board of Trustees, to present to Alison Mapes, Ava Mapes, and Kaylee Kocyon of Girl Scout Troop 413, with certificates of appreciation and
badges for their participation in at the latest Stream Team on June 9 at Mildred Keeney Park. Clerk Chapman also recognized three of the local baseball teams, Trustees Sulzberger and Hook, Zoning Board Member Terry Sulzberger, Fire Chief Miles and his wife Holly for their time and service.

The final decision regarding the request for rezoning will be at the Board of Trustees Regular Meeting of Monday, July 23, 2018, at 7:00PM.

NEW BUSINESS

Dixie Edwards, Business Owner, asked if a sign permit and approval of the Board was required for a leasing sign. Clerk Chapman stated she did not have the ordinances in front of her but stated that there are exceptions to the sign permits regarding the leasing and real estate signs of a property. Clerk Chapman stated she would be happy to review it and discuss it with her.

Fire Chief Miles notified the Board that Assistant Fire Chief Jay Curless is now trained to do internal CU training and teach others. Additionally, he shared a positive new story regarding saving cats twice that had gotten into the library gutters. Channel 5 picked up the Facebook notification for the department.

The Board asked that Clerk Chapman check into the company that Kansas City uses and see if they would do it for a fair rate to mow the portion in the Village as well. In addition, ask the company doing our landscaping what they would charge.

Trustee Hook questioned why staff was not permitted to approve signs instead of them waiting and coming to the Board. Trustee Goeller agreed but only on temporary signs.
