## January President's Message

Happy New Year to all,

Well the holidays have come to a joyful end. The Holiday Banquet was a success. Thanks to all who participated. Thanks go to Lynn for the raffle prizes and Denise for the decorations. I believe a good time was had by all. I look forward to next year's event. In the meantime, if you have any suggestions to make next year's banquet better, please send suggestions to me or any board member. I hope Rich was surprised and has used his wife's gift certificate.

If you enjoyed the many prizes, please note that some were "donated" to the club. Next month I will post a list of donators and will send thank you notes to all who helped make the banquet a success.

The Friends of Rollo Raffle rose well over \$700.00. As a club I congratulate you for your generosity in extending the sport of fishing to another generation. I am sure Don Udlock will

be very happy and looking for volunteers once it comes time to spend the money to take his kids out fishing. I look forward to the trip and hope to see other club members on the trip.

If Wil Ebersman or Ernie Branch finds out when Ventura County has its Fish for Food program this year, I urge members to take someone fishing. You fish for a very low price on the boats out of Ventura. You turn in your catch to the local food bank and are treated to a Bar B Que diner when you return. There was also a great raffle prize drawing. If they have the program this year, I hope to get the word out in time so as many members as possible can attend.

2012 is off and running. Plans are already in the works for Fresh and Saltwater trips. Surf fishing, tubing and a kid's trip are in the works.

During my time as president, we have seen an increase in membership. It fell off a little last year but an increase from when I started. I urge everyone to bring their fishing friends to a meeting. If you are at a tackle store or out fishing and you meet someone, invite them to come join the club. I plan to make business size cards so you can hand them out. There is strength in numbers and the more members we have the more our voices can be heard in such fights as the MLPA hearing. Fishing like Freedom is not free and besides the time you spend on the water, a few moments letting your elected officials and friends know about your concerns would go a long way in protecting our right and the rights of those who follow to fish, hunt, camp and enjoy the outdoors.

I hope to see you at a meeting, on the water, out with the kids at Friends of Rollo, 976 Tuna Dan Hernandez, The Boys Scouts, Girl Scouts or just out with family and friends, fishing and enjoying all the sport has to offer. Thank you for your support and may 2012 be our best year ever.
