

3RD TEMPLE COINS

TO HONOR AND PRAISE ISRAEL'S 70TH INDEPENDENCE

The Mikdash Educational Center has been minting several coins to include the Temple Coin. They are the 1/2 Shekel coin which the Torah mandates every Jewish male must donate to the Temple. The weight of the Temple Coin was at 9.5 grams of silver. The Temple Coins were sanctioned by the Sanhedrin. The 1st Temple Coin featured King Cyrus and U.S. President Trump. It was named 'The 70 Years Israel Redemption' coin. The purchasing of the coin came with donation of \$50 U. S. Dollars and was able to be ordered from the Mikdash online store. According to the Sanhedrin and the Mikdash Educational Center, 'this special and unique coin was minted in honor and praise of Israel's 70th Independence Day, and with gratitude that the American Embassy will be transferred to Jerusalem recognizing the centrality of Jerusalem to all 70 nations of the world.'

the proceeds from sale of the Temple Coins will be used for 3 major purposes as follows.

1. For the rebuilding the 3rd Temple.
2. For the practicing procedures concerning the Daily Sacrifices.
3. Preparing the Jews, spiritually, ritually and educationally for the 3rd Temple.

On the front side of the Temple 'Trump' coin is the figure of U.S. President Donald Trump, alongside Cyrus King of Persia. It was King Cyrus that made the prophetic 'Decree' to allow the 70-year Babylonian Captivity to end just as the Jeremiah foretold. It was King Cyrus who made the building of the 2nd Temple possible and thus the religious Jews are seeing President Trump do the same with the 'Decree' to recognize Jerusalem as Israel's 'Eternal Capital'.
