Our annual memberships run from **January 1st to December 31st** of each year. This includes the use of the club property as well as the rifle/pistol range (see club/range rules). We also offer rentals of the club building for members, at a reduced rate. **Hunting of any kind or shooting outside of designated areas is not allowed.** A single annual membership is \$60.00, a family annual membership is \$80.00, and a lifetime membership is \$300.00. A single membership allows the named member, and only the named member, to use the benefits of the club. A family membership allows the named member, significant other, children, and grandchildren of each UNDER the age of eighteen, to use the benefits of the club. **A family membership doesn't include children over eighteen.** A lifetime membership allows the named member, children, and grandchildren of that lifetime member UNDER the age of eighteen, to use the benefits of the club. A lifetime membership doesn't include the spouse of or children over eighteen of that named lifetime member. You must be an annual member for 2 consecutive years before you are eligible to become a lifetime member. You must obtain and complete a membership application and return it signed to one of the club's monthly meetings OR to a summer trap league night. The summer trap league is Wednesday night and runs from the first Wednesday in May thru the last Wednesday in August and starts around 7pm. We require this of members so we can put a face with the name for safety reasons. Once the completed application and payment have been received thru one of these means, you will receive the current gate lock code as well as a valid membership card. **Annual memberships will only be accepted Jan. 1st thru Sept. 1st. No new annual memberships will be accepted after September 1st.**

Our monthly meetings are held at the clubhouse the first Thursday of the month at 7 pm January thru September. We do not hold monthly meetings October thru December.
