Electronics Warranty	18 Months	3 Years
Electronics Certification	None	60601-3
Product Certification	CE	Nemko

We let the chart speak for itself. In a head to head comparison of MedSurface Treatment Tables versus the industry's top seller, there is no comparison.

The structural integrity of MedSurface tables is second to none. It is, quite simply, built better

\*MedSurface dynamic load for 3-section tables is the same as the Industry's leading "Bariatric" or "Bobath" Table.
