2017 *Strommen Ranch Customers'* COMMERCIAL FEMALES FOR SALE

This listing was developed for customers that use Strommen Ranch genetics to showcase females they have for sale. We encourage our customers to contact us to add to this listing. This is a free tool provided to Strommen Ranch customers as part of our elite customer service program.

BRED COWS:

- **71 COMMERCIAL ANGUS COWS.** Total dispersal due to drought and hay shortage. Selling at Stockmen's Livestock in Dickinson on Friday, Nov. 24, 2017. 90% black with a few baldies. Cows are due March 25th bred to Angus Bulls, grandsons of BCC Bushwacker 41-93. Western-origin cowherd run in the Badlands of southwest North Dakota. 47 3 to 7-year-olds; 11 7 to 9-year-olds; 13 10-and older. **J Bar V Ranch, Joe Fischer**
- **9 YOUNG COMMERCIAL ANGUS COWS.** Out of our registered herd. 2-3 years old. Due April 10-April 30. Bred to Bruin Torque 5261 and S R Revival 303. Nice set of young, maternally bred Angus cows. Pregnancy ultrasounded by Dr. Patrick Bierman, Mandan Veterinary Clinic. Vaccinated with CattleMaster FP5, Spirovac VL5 and drenched with Safe-Guard dewormer. **Strommen Ranch, Aaron Strommen**
- **18 AGED COMMERCIAL ANGUS COWS.** 5 to 9 years old. Due April 16-May 26. Bred to a son of Connealy Thunder and HA Image Maker. Nice set of large-framed, performance cows that we purchased this spring to implant embryos into. These are bred second and third cycle. They are larger-framed cows, averaging between 1400 and 1600 lbs. Their steers averaged 688 lbs when they sold at Kist Livestock on Oct. 11, 2017. Pregnancy ultrasounded by Dr. Patrick Bierman, Mandan Veterinary Clinic. Vaccinated with CattleMaster FP5, Spirovac VL5 and drenched with Safe-Guard dewormer. **Strommen Ranch, Aaron Strommen**

COMMERCIAL OPEN HEIFERS:

- **16 COMMERCIAL HEIFER CALVES.** Weaned Oct. 20. These are late spring-born heifer calves weighing 500-550 lbs. They've had both spring & fall vaccinations. **Pfaff Ranch, John Pfaff**
- **20-25 COMMERCIAL OPEN HEIFERS.** Out of our recipient herd. Only the very top-end are being offered, with none retained. These SimAngus heifers weigh 650-700 lbs. and are medium-to-large framed, high-growth cattle. **Strommen Ranch, Aaron Strommen**

COMMERCIAL BRED HEIFERS:

- **10 COMMERCIAL ANGUS BRED HEIFERS.** Due April 1 for 30 days. Bred heifers, weighing 1,050 to 1,100 lbs, from one of the top herds in western North Dakota. Buys top end, maternal bulls with performance. Selling at Stockmen's Livestock in Dickinson on Friday, Nov. 24, 2017. **Prairie Diamond Ranch, Kellen Unruh**
