The monthly Financial Report was presented by the Treasurer. Commissioner Camuel made a motion to accept the report as presented. Commissioner Mason made a second to the motion and the motion carried.

Dog Related Issues for Newsletter

Complaints about dogs being walked and owners not picking up after them have been heard from several people. Also, dogs running loose in their owners' yards and running after people on the streets have become an issue. This will be addressed in the next newsletter.

Information to include in the newsletter was discussed briefly. One issue is house rentals. Most of Lakeview is zoned for single-family dwelling. In general, this means rentals must be to single families only.

Commissioner Sorrell announced that he will be putting his house up for sale and leaving Morehead in the next few months.

With no further business pending and through unanimous consent the meeting was adjourned at 6:17 p.m.
