**TOMS RIVER TOWNSHIP PUBLIC CONTRACTING
REFORM ORDINANCE CERTIFICATION**

The undersigned, being authorized and knowledgeable of the circumstances, does hereby certify that _____ received a copy of the Toms River Township Public Contracting Reform Ordinance approved pursuant to N.J.S.A. 69A-184 et. seq. by referendum at the November 8, 2005 general election.

It is understood that myself or members of my professional business entity as defined by state statute and local ordinance did not contribute or solicit funds for campaigns for one year preceding the award of this contract, or on or after December 20, 2005, whichever is the lesser, which would preclude receiving an award from Toms River Township. This means my professional business entity may have annually contributed a maximum of \$300.00 for any purpose to each municipal candidate, for mayor or council, and \$300.00 to each Toms River Township or Ocean County party committees, or to a municipal PAC as referenced by ordinance without violation. However, any professional business entity including such principals, partners, and officers of the entity in the aggregate, could not annually contribute for any purpose in excess of a total of \$2,500.00 to: all Toms River Township candidates and office holders with the ultimate responsibility for the award of the contract and all Toms River Township or Ocean County political parties and municipal PACS as referenced by statute, and/or ordinance combined. If my business is a natural person, a contribution by my spouse or any child living with me shall be deemed as a contribution by me. If my business is not owned by a natural person but by a firm; corporation; professional corporation; partnership; organization; or association; any contribution by a principal owning 10% or more in the business shall be deemed a contribution on behalf of the business. The definition of a professional business entity includes all principals who won 10% or more of the equity in the corporation or business trust, partners, and officers in the aggregate employed by the entity as well as any subsidiaries directly controlled by the business entity.

It is understood that myself or members of my professional business entity as defined by state statute and local ordinance have a continuing duty not to contribute or solicit funds for campaigns contrary to law during the life of the contract and to report the same. This means my professional business entity may not contribute any funds for any purpose to each candidate, for mayor or council, to each Toms River Township or Ocean County Party committee or to a municipal PAC as referred to by statute and/or ordinance without violation.

It shall be a breach of the terms of the Toms River Township professional service agreement for a business entity to: (i) make or solicit a contribution in violation of the ordinance; (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee of any candidate or holder of public office; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of this ordinance; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange or contributions to circumvent the intent of this ordinance; or (viii) directly or indirectly, through or by any person or means, do any act which would subject that entity to the restrictions of this ordinance.

The undersigned if fully aware that if I have misrepresented in whole or part this affirmation and certification, I and/or the business entity, will be liable for any penalty permitted under law.
