Middle Atlantic College Tour: March 10 – 13, 2019

Tour Description:

This four day / three night excursion will introduce you to several colleges and universities where you will have the chance to experience first-hand what college life is all about, become actively involved in obtaining accurate and reliable information, and have an exciting and educational time with your classmates and friends.

You will visit: Georgetown University; George Washington University; Johns Hopkins University; Loyola University Maryland; Villanova University; University of Pennsylvania.

There will be student led campus tours, question and answer sessions with admission officers, meals, activities, and plenty of sightseeing. Lodging will occur in hotels located near the schools and is based on double occupancy. Activities on previous tours have included exploring the areas surrounding the schools, attending athletic and cultural events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the campus visits.

The tour will be led by Robert Rummerfield, Director of **COLLEGE VISITS** and staff member from St. Mark's School, TX.. Before starting **COLLEGE VISITS**, Mr. Rummerfield was an admissions officer at The Johns Hopkins University. Since 1991, teenagers, parents, and counselors from across the world have joined our tours. Some of their comments:

"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time."

"I got to meet interesting people and see places I had never seen before. More importantly, I got a chance to see and define the qualities I am looking for in a university."

"It was well organized, executed, and overall, insightful in content. I feel we visited many good schools and the variety will definitely help me decide where I want to go."

"The tour was a lot of fun. It was great to see so many campuses without having to organize all of the visits myself. It was a very educational experience, and I learned a lot about colleges that prior to the tour, I did not know much about."

"Good chance to see many schools I would not have otherwise seen."

If you have any questions about the trip, or would like additional information, please contact us. We look forward to your participation.
