

over 100 years of innovation

# LKT8 treadmill

Backed by a light commercial warranty the LKT8 is a workhorse. Its extra large 22"x60" running surface, equipped with an orthopedic belt, is build around a solid commercial frame for stability and durability. The T8 is built tough and is perfect for serious workouts.

- HST Phenolic Resin comes standard and is unique to the market. It provides a maintenance free system, eliminating the need of lubrication for up to 2 years.
- Whisper quiet 3.5 HP DC drive motor provides unparalleled durability and reliability
- Extra Large 22" x 60" running surface enables a safe and comfortable workout
- Light commercial warranty for a product that is built to last
- Quick Speed and Quick Incline Keys allow fast adjustments to the most common settings
- Orthopedic running belt provides a more comfortable, lower-impact workout experience
- Active Flex suspension technology allows for a softer landing and firm push off for comfort and efficiency

Extended medical rails available on LKT8
