We have a limited time to get our preschool up and running for the 2021 school year. To accomplish this goal, we need 130 people to help us raise \$1000 each within the next 10 months. All funds will be applied to the cost of construction to build and furnish 3 preschool classrooms, school office, nurse's office, bathroom, and motor skills room. Construction will take 6 weeks and needs to be finished by the end of October. Please help us give the children in our area a 1<sup>st</sup> class education.
