

REGISTRATION CERTIFICATE

This document certifies that the administration systems of

Medical Extrusion Technologies, Inc.

26608 Pierce Circle, Murrieta, California 92562, USA

have been assessed and approved by QAS International to the following management systems, standards and guidelines:

ISO 9001:2015

The approved administration systems apply to the following:

Medical Extrusion Technologies, Inc. located in Murrieta, specializes in producing Single Lumen and Multi Lumen Tubing in almost every Thermoplastic Material available except FEP Heat Shrink. We work with customers of all sizes, from startups and development houses to major device manufacturers, selling products to global markets. Our customers submit specifications and drawings with detailed requirements, therefore Clause 8.3, Design and development of products and services, is not applicable to our Quality Management System.

Original Approval	8th August 2013
Current Certificate	8th August 2021
Certificate Expiry	8th August 2022
Certificate Number	IRE1127

Signed: Certification Officer

On behalf of QAS International

This certificate remains valid while the holder maintains their administration systems in accordance with the standards and guidelines stated above, which will be audited annually by QAS International. The holder is entitled to display the above registration mark for the duration of this certificate, which should be returned to QAS International upon reasonable request.
Issuing Office: QAS International, 5 Technology Park, Colindeep Lane, London, NW9 6BX, UK
