

God Created You!

“For you are God’s masterpiece. He has created you anew in Christ Jesus, so you can do the good things he planned for you long ago” (Ephesians 2:10).

Your self-image is many times based upon a combination of things. Your personality along with your inner beliefs plays a big role regarding how you see yourself. Many times, you evaluate your worth, your importance, or your significance based on how others perceive you, by what others say you are or by what you believe about yourself. You twist yourself up into knots trying to be something or someone else.

Today, He is wanting you to know that your self-image is in HIM. It isn’t in what size clothes you wear, the color of your hair, your age, or the job you have. It is in Him and Him alone. You are not an image of someone else, God created you in His image. He created you not just for connecting with Him, but for specific Kingdom purposes. God created you to make contributions to the Kingdom of Heaven here on earth.

I have said it before, and I will say it again, you are created for eternal purposes here on earth. God has called you to certain activities that work with how He created you to be, but you must rely on God’s power to help you be all He created you to be.

God knows you. He created you. He wants you to be who He created you to be, not what others say you should be or what you think you’re supposed to be. God has already provided all the ability, wisdom, perseverance and strength you need to accomplish what He has called you to do and to be who He called you to be.

“Before I formed you in the womb I knew you; before you were born I set you apart” (Jeremiah 1:5).

God created you. He knows best how you can achieve your potential. You don’t have to become someone or something other than what God made you to be. God has a plan for your life, and He created you just the way you are for His special purposes.

“You guided my conception and formed me in the womb. You clothed me with skin and flesh, and you knit my bones and sinews together. You gave me life and showed me your unfailing love. My life was preserved by your care” (Job 10:10-12).

God created you. You are special. You are created in His image. You are the work of His hands.
