## *Family Fun Day!*

Family Fun Day was a great success thanks to chairpersons **Mary Russell** and **Amanda Varelakis**. Several community volunteers and Little Village staff members joined in to help with the many activities. Our students and their extended families enjoyed a scavenger hunt, arts and crafts, music, use of the playground equipment and a portable bowling alley which was generously loaned to us by Farmingdale Lanes.

A great time was had by all!

# Student Spotlight - Kerrick Apostol

**Kerrick Apostol** is an 11 year-old boy who has been attending The Hagedorn Little Village School, *Jack Joel Center for Special Children* for many years.

Kerrick's family says that Little Village is his happy place. Seeing Kerrick riding his bike through the halls, showing off his creative Halloween costumes or hearing

his infectious laugh helps to make HLVS a happy place for all. The creative costumes seen in the pictures have truly captured Kerrick's fun spirit, whether he is dealing blackjack, blasting off to the moon or running for President (*he has our vote!*).

According to his teacher **Kathleen Langlois**, Kerrick loves being the flag holder during morning meetings and enjoys making music with his classmates.

When not in school, Kerrick loves to swim and go on vacation with his mom, dad, twin brother Griffin and older siblings, Riley and Katherine. Included in these fun vacations are his extended family as well.

Kerrick has an incredible way of communicating love and happiness without ever saying a word. The staff at HLVS will miss his seeing his smiling face in the hallways, as he is graduating this year. We wish him the best of luck as he continues on his journey.

# Apple Picking Time in Room 63

The children in Room 63 enjoyed learning all about apples! With Teacher **Rebecca Sblendorio**, students had fun matching letter apple stickers to their apple trees, reciting an apple tree poem, creating colorful apple prints and making apple pie in a cup!

# Room 221 is the Apple of Our Eye!

The children in Miss Carol (**Carol Fagan**) and Miss Tara's (**Tara Priest**) class enjoyed all the best of Fall especially apple season! They made homemade apple sauce using a food mill, tasted different apple varieties and even balanced apples on their heads like in Dr. Seuss' 10 Apples Up On Top. We used apples during our science lessons including the very popular sink/float experiment! The children had a great time!

*How do you like them apples?*

# Room 82 Learns Fire Safety!

Teacher **Katy Marascia** and the children in Room 82 have been learning about the job of a firefighter and all about Fire Safety. They pretended to be a Firefighter and sprayed water on the fire and we learned that you call 911 in an emergency.

# St. John's University University Service Day!

Thank you to the volunteers from **St. John's University** who spent Saturday September 22nd at Little Village for St. John's University Service Day. They were a great help to the school assisting with a variety of maintenance tasks helping to keep Little Village spotless! We greatly appreciate you thinking of Little Village!
