Procedures for students applying for 2nd year scholarship:

Criteria: Students who have received a Tuesday Club scholarship as a graduating senior are eligible to apply for a 2nd year scholarship during the 2nd semester of their freshmen year.

To apply:

Students must submit a letter to the Scholarship Committee of the Tuesday Club at the address above that requests to be considered for a 2nd year scholarship by April 30th.

The student needs to include their student status and the college that they will be attending in the fall. The student should list any accomplishments, activities, volunteering and overall a narrative about their first year. The student should include any pertinent information such as any jobs, or internships, or other siblings attending college.

A copy of the student's transcript must be submitted to the Scholarship committee by June 30th.

Evidence of volunteering to help the Tuesday Club for the annual Strawberry Festival held on Father's Day is an important component for consideration. Volunteering for set up, food preparation, serving or assisting during the day or clean up is appreciated. The funds raised at the Strawberry Festival finance our scholarships.
