ASCI Professional Certification in Biology and Chemistry
Advanced Placement training in the field of Chemistry

Experience:

Teacher at Clovis Christian School since 1994

Vision For Classroom/Relationship With Students:

My goal in science is for each student to realize that we have and awesome God who is the Creator and Sustainer of Life.

Testimony:

I realized I was a sinner and accepted Christ as my Savior when I was eight years old. Gad has been my guide through good times and difficult times. I trust Him even when I do not understand where He is leading. My life verse is Galatians 2:20.
