ICS is Moving !

God has answered our prayer. ICS is moving to Church in the City's school building on 16th and York in June 2024. We are excited! The new facility has double the classroom space and will save us money in rent and utilities. God is faithful. Thank you for your prayers and support!

Christmas is always a special time at ICS with our annual Christmas Party at the Oakley's and outreaches. This past Christmas, ICS joined the Denver Dream Center's Christmas Mart at Coors Field and Morning Star Assisted Living Center to share the true meaning of Christmas in song and dance.

ICS is always blessed when local businesses support our school. In December, two businesses provided free haircuts and hairstyles to our students. Patrick Efferson with Exclusive Cuts, and Eboni Flemons with Phenomenal Beauty spent an entire day giving our students a new style just in time for the holidays. Thank you so much!
