

MILLENNIUM
RECYCLING INC

Residential Single-Stream Recycling Guide

Now you can place all recyclable items below in one bin!

See reverse
for more

Flattened corrugated cardboard & brown paper bags

Newspapers and inserts, magazines, brochures, and catalogs

Phone books
(no more than 2 books per pick-up, per resident)

Office papers and junk mail

Cartons
(please empty of all liquids)

Paperboard

Clean aluminum trays and balled foil *(3" or larger)*

Aluminum and steel cans
(do not flatten or crush)

Plastic bottles

Plastic tubs, jugs and containers

Shredded paper
(please place in clear plastic bags)

Tips

- Flatten cardboard – leave cans, cartons, plastic tubs and jugs intact in original form.
- Paper can have staples and paperclips.
- Place plastic bags and shredded paper in separate clear plastic bags. Do not bag any other recyclables.

If you have questions, call us at 605-336-1744, ask us on

Residential Single-Stream Recycling Guide

The "Hit List." Items that **ABSOLUTELY MUST NOT** go in the recycling container.

To-go food containers.
Stable markets do not exist for these items.

Ceramics, rocks, stones, and non-container glass.
These items are not recyclable at this time.

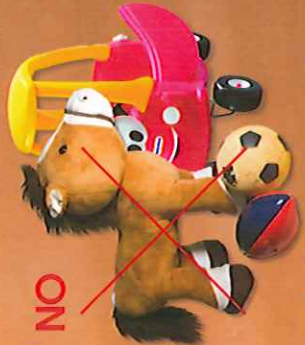

Electronics and bulbs. Recycle these items separately through Bargain Bytes. Call 605-275-0400.

Hazardous Waste. Residents may take these items to the City of Stouffville Household Hazardous Waste facility. Call 605-367-8695 for more information.

Wood. Some pieces can injure staff, damage equipment.

Toys. Many have more than one plastic resin, or have steel pieces in them, or simply have nothing about them that is recyclable.

Scrap metal. The only steel permitted in the single stream program is steel cans. We can take scrap steel separately.

Do Not Include:

- Recyclables in bags with the exception of plastic bags and shredded paper
- Books (we can recycle them separately)
- Scrap metal
- Plastics other than those listed
- VCR tapes and CDs and CD cases
- Wax paper
- Mirrors, ceramics, light bulbs, and window glass
- Hazardous or Bio-hazard waste
- Tyvek envelopes
- Needles or syringes
- Stickers or sheets of labels
- Wire spiral binding
- Large metal clips
- Tissues, napkins and paper towels
- Wood
- Toys
- Paper ream wrappers
- Brown or orange envelopes
- Styrofoam or paper to-go containers
- Electronics
- Loose shredded paper
- Diapers
- Food contaminated paper or cardboard
- Yard hoses
- Clothing
- Food

Diapers and bio-hazardous waste. Needles, syringes, diapers, pharmaceutical waste, and other home health care products do not belong in the recycling bin.

Loose shredded paper.
Please bag your shredded paper in CLEAR plastic bags.

Window Blinds are not recyclable.

Napkins, toilet paper and paper towels cannot be recycled.

Tips

- Not all items with a recycle symbol can be recycled.
- Many other items can be recycled outside of the single-stream process.
- Place plastic bags and shredded paper in separate clear plastic bags. Do not bag any other recyclables.
