# WAXES, SEALANTS, CLEANERS AND POLISHES

**SHINE FACTOR**  
1-10

## BANANA WAX

A soft, yellow, banana scented cream wax fortified with Carnauba wax and silicone to produce a deep "WET LOOK" gloss while providing moderate protection. Leaves a hi-gloss finish lasting between 3 and 6 months. Great on both light and dark color paints. Easy to remove.

10

## CHERRY WET WAX

A lotion cleaner containing carnauba wax and polymers which removes light to moderate scratches and oxidation from painted surfaces, while providing protection while producing a brilliant shine. This hi-gloss finish lasts up to 6 months. Excellent on both light and dark color paints. Easy to remove.

9

## LASER WAX

HD Product's most durable mildly aggressive cleaner that wax removes light surface imperfections, while providing outstanding protection & shine. Loaded with Carnauba wax and contains silicone. Can be used as a "one step" or final finish product. Has the power to lightly cut and clean like a polish, leaving the durable hard shine of a carnauba paste wax.

8

## SWIRL-BE-GONE SWIRL REMOVER

Should be used as the last buffing step. This unique polish not only imparts a dazzling gloss, it will also remove buffer swirls, micro-surface imperfections and oxidation. Removes 3000 grit sand scratches and similar substrate imperfections. Buffs without gumming or clogging pads. Contains no silicone or waxes. Leaves a non-oily "mirror like" finish. Dust free. Especially effective on dark colors and is body shop safe.

8

## EASY WAX

A thin yellow cream easy to use premium grade Carnauba wax contains a mild abrasive, lubricants and silicone. This wax removes minor paint imperfections, produces a deep gloss and provides long lasting protection. Easy to use and leaves very little powder residue. For a moderate to high shine lasting 4 to 6 months. Extremely easy to apply and remove.

8

## BLUE PERFECTION

Our best and longest lasting polymer sealant. Imparts a dazzling gloss and removes buffer swirls, micro-surface imperfections and light oxidation. Leaves a non-oily "mirror like" finish. Buffs without gumming or clogging pads. Lasts approximately 6-8 months. Contains no silicones or waxes and is considered body shop safe. Great for dark or light color paints. Easy to apply and remove.

9

## SPEED WAX

A thin liquid spray wax fortified with Carnauba Wax leaving a "Wet Look" shine. Works fast and easy on all painted surfaces, clear-coat, plastic, glass and metal. Safely removes dust, mild road grime, fingerprints and water spots. Perfect for spot washing or complete vehicle washing without water. Anti-static and anti-streak. Non-abrasive and non-silicone. Just spray and wipe clean. This product will leave a shine while protecting the paint surface. Body shop recommended.

9

## SPRAY WAX

A rapid, water beading wax with a rinse additive to reduce water spots. This wax leaves a thin protective coating causing the water to bead for more effective blow drying. Performs as well as national brands for a fraction of the cost.

8

## SPRAY POLISH

A thin easy to use liquid polish to be applied with a sprayer. For best results use a micro-fiber towel to apply and remove. We recommend using a pre-cleaner prior to application. Removes smudges and fingerprints from all paint finishes for a showroom shine. Contains no waxes or silicones and is body shop safe.

9

# COMPOUNDS AND BUFFING SUPPLIES

**CUT FACTOR**  
**1-10**

## PERFECT CUT COMPOUND

An abrasive cleaner that removes 1000 to 1200 grit sand scratches, oxidation and water spots. A quick cutting, fast acting compound. High gloss and very little surface swirling. Easy clean-up. Great for all types of paint substrates. Use care when buffing basecoat/ clear coat finishes. Designed to be used with a Foam pad. Contains no silicone or wax.

**8**

## HEAVY CUT COMPOUND

Our most aggressive, silicone-free compound which removes 600 grit sanding scratches and scuff marks from all painted surfaces, while leaving leaving a shiny, polished finish. Safe on all clear coat surfaces.

**8**

## MEDIUM CUT COMPOUND

A mildly aggressive compound designed for machine application. Formulated to remove 1200 to 1500 grit sand scratches and finish imperfections in aged and cured paint coatings leaving a shiny, swirl-free finish. Contains no wax or silicones.

**5**

## LITE CUT COMPOUND

A light grit, mildly aggressive, silicone-free compound designed for machine application to remove medium to heavy oxidation, sand scratches and finish imperfections. Used as a light pre-cleaning lotion custom designed to remove light imperfections, such as swirls, minor scratches. Leaves a moderate shine and is safe on all clear coat surfaces.

**8**

## FINAL CUT COMPOUND

A non grit, mildly aggressive, silicone-free polish designed to safely removes scratches and swirl marks from all painted surfaces to leave a deep shine. Can be used with a hi-speed or orbital buffer. Excellent for dark color cars.

**5**

## SUPER CUT COMPOUND

Chemically dissolves oxidations. Removes 1000 to 1500 sand scratches and medium imperfections from paint and fiberglass. Can be used on clear coat and conventional auto finishes. Contains no wax or silicone. Body shop safe.

**8**

## BUFFING SUPPLIES

### BUFFERS

Orbital  
Hi Speed

### BUFFING PADS

9" Terry Bonnets  
Assorted Orbital Foam Bonnets

### BUFFER PARTS AND ACCESORIES

Velcro Plates  
11" Drive Pads for Orbital Buffers  
Velcro Carpet Brush

## OVER-SPRAY REMOVAL

### FINE GRADE DETAIL CLAY (Gray)

A Fine grade clay, formulated to remove contamination without leaving scratches.

### MEDIUM GRADE DETAIL CLAY (Purple)

A Medium grade clay, formulated to be more aggressive and suitable for more serious surface contaminates.

### SURFACE PREP TOWEL

Works fast and achieves professional results with the advanced polymerized rubber technology, the next generation of surface preparation.

# EXTERIOR CLEANERS

**CLEAN FACTOR**  
**1-10**

## ALL PURPOSE CLEANERS

### PURPLE STUFF DEGREASER

Our most powerful heavy duty cleaner and degreaser. Works great on engines and tires. Can be used on interiors and hard to clean areas. It can be diluted up to 10:1.

**10**

### YELLOW MAGIC

An excellent heavy duty cleaner that works will on engines, whitewalls and as an Interior Spot Cleaner. Safe on interiors. A concentrate that can be diluted up to 5:1.

**10**

### GREEN MAGIC

A non caustic, all purpose cleaner that is great on engines and interiors. An excellent medium to heavy duty all purpose cleaner. Formulated to be enviromentally friendly. Can be diluted up to 10-1 for light cleaning. It is paint safe when diluted 50/50.

**8**

### ORANGE MAGIC

Citrus cleaner and degreaser. Nature's own citrus extracts cut through the heaviest grease and grime on most hard surfaces. Penetrates, lifts and removes tough stains and soils, and leaves surfaces sparkling clean. Saves time and labor.

**10**

### NEW SOLUTION

This product is safe on all painter surfaces. It uses mild soaps and detergents to clean away grease, dirt and grime from any surface. Use straight on stubborn dirt. For light cleaning dilute up to 10-1.

**8**

### BUG OFF BUG REMOVER

Uses the most up to date chemistry designed to specifically dissolve bugs, bug spots & gray matter. Safe onpainted surfaces.

**8**

## CAR WASH SOAPS

### WASH N WAX SOAP

A thick blend of high grade waxes and powerful detergents that removes road film build-up. Pleasant wild cherry scent. A balanced pH to protect your finish.

**10**

### SUPER FOAM

A thick blend of high grade detergents that removes old wax build-up and dirt build-up. Has a grape scent and produces a high foam. A balanced pH to protect your finish.

**10**

## SOLVENT CLEANERS

### SOLV IT ALL

An excellent body prep. solvent, which is fast evaporating solvent. Ready to use for effective removal of grease, silicone, tar, road film and adhesive. Rinses freely. It can also be used as an interior spot remover. Leaves no residue.

**10**

## WHEEL CLEANERS AND METAL POLISH

### WHEEL CLEANER

An extremely effective and aggressive product in dissolving and removing brake dust from rims one at a time. Safe on most wheels but not recommended for polished aluminum rims. Excellent product for removing surface rust.

**10**

### RED HOT

A heavy duty liquid wheel cleaner formulated for tough cleaning jobs. Enables the professional to clean rims and wheels. Similar to Wheel Cleaner, this product is somewhat safer and more economical for the professional to remove brake dust effectively.

**9**

### METAL BRITE

A thin liquid cleaner, GREAT for Cleaning Alluminum Rims or Tanks. Can be used by Hand or with a Buffer.

**10**

# ***INTERIOR CLEANERS & INTERIOR PROTECTION***

## **UPHOLSTERY CLEANERS AND PROTECTANTS**

### **FABRIC GUARD**

A solvent based fabric & carpet protectant. It repels water & resists stains.

### **LEATHER AND PLASTIC CLEANER**

A mild pH heavy duty interior cleaner which cleans leather plastic and vinyl. When using this cleaner we recommend LEATHER MAGIC to replenish natural oils to prevent cracking and fading.

### **LEATHER MAGIC**

A white creme lotion and cleaner fortified with Lanolin and Mink Oils to replenish ALL Leather. Has a Leather scent and is easy to apply.

### **BIOZYME**

A synergistic blend of bacterial enzymes that break down grease and oils. Clean stains, urine, blood, wine, coffee, vomit, mold, etc. Eliminate odors naturally. Non-pathogenic.

## **CARPET CLEANERS**

### **XTRA-DUTY AEROSOL**

A convenient aerosol dry foam carpet cleaner that is fast and easy to use. It cleans dirt, soil & stains while leaving behind stain guard.

### **EXTRACTOR HD**

A citrus based concentrated low foam Interior shampoo designed to clean and deodorize carpet and seats. Best used with an Extractor machine. 30 to 1 mixing ratio. Excellent to combine with one of our Terminodor fragrances or Biozyme.

### **NU-LOOK SHAMPOO**

A thick concentrated high foam Interior shampoo designed to clean & deodorize carpet & seats.

## ***WINDOW CLEANERS***

### **GLASS CLEANER AEROSOL**

Very effective and easy to use. Spray and wipe clean, high foam action and leaves no film. Safe on window tint.

### **CONCENTRATED GLASS CLEANER**

An AMMONIA FREE concentrated blend of degreasing and drying agents for fast thorough cleaning of windows, chrome, mirrors and other hard surfaces. Safe on window tint. Can be diluted 10:1.

### **READY TO USE GLASS CLEANER (RTU)**

An AMMONIA FREE, ready to use blend of alcohol & grease cutting ingredients for cleaning windows, chrome and mirrors. Dissolves dirt, smoke film and grime leaving a clean streak free finish. Pleasant fragrance. Safe on tinted windows.

### **SPOT GONE**

A thick acid based formulation designed to quickly and easily remove Hard Water Spots from Glass and painted surfaces. DO NOT APPLY TO aluminum or the windshield where the wipers may have etched glass.

# **WHEEL & INTERIOR DRESSING/FRAGRANCES**

## **WHEEL AND INTERIOR DRESSINGS**

### **BLUE DRESSING (SOLVENT BASED) OUR MOST POPULAR DRESSING**

A solvent based, Hi-Gloss, ready to use silicone tire dressing which is blue in color and features a fruity scent.

### **CAROLINA SHINE (SOLVENT BASED)**

An economical solvent based, satin shine ready to use dressing which contains silicone.

### **HIGH GLOSS DRESSING (WATER BASED)**

A water-based high gloss, ready to use dressing which is white, features a cherry scent and contains silicone. It can be used for exterior or interior.

### **TNT TREATMENT (WATER BASED)**

An innovative water based gel dressing which produces a high-gloss and wash off resistant finish previously found only in solvent-based dressings. Easily applied to tires, trim, bumpers, vinyl and plastic. No milky residue or waste due to run off. No slinging and overspray.

### **BLUE CONCEPT (WATER BASED)**

A thick water based dressing formulated to restore tires, bumpers, vinyl and car moldings.

### **SHINE ON DRESSING (NON-SILICONE)**

A water based, high gloss, ready to use dressing. Body shop safe.

### **REVIVAL**

An advanced cream dressing which produces a hi-gloss and wash off resistant finish. Restores a "like new" finish to trim, bumpers, vinyl and plastic. Contains no silicones.

### **SPRAY-N-SHINE AEROSOL**

An easy to use cleaner that lubricates, shines and protects. Quick care for all hard to reach surfaces in vehicles: air vents, window channels, etc.

## **INTERIOR FRAGRANCES**

### **INTERIOR FRAGRANCES**

Baby Powder, Cool Water, Fresh & Clean, Juicy Fruit, Leather, Nu Car, Pina Colada, Vanilla and Wild Cherry

### **INTERIOR FRAGRANCES WITH TERMINODOR**

Green Apple and Lemon Twist with Terminodor. Fortified with odor attacking enzymes.

### **INTERIOR FRAGRANCE PADS**

Mesh wafer fragrance pad which last several weeks. Available in a variety of scents.

## **RESTORATION PRODUCTS**

### **CARPET AND VINYL DYE**

Aerosol spray dye for carpets and vinyl. Available in many assorted colors.

### **HEADLIGHT RESTORATION**

Klear Lites headlight restoration. Comes in a 2 or 6 car package. No special tools, wax, compounds, masking tape or mixing of chemicals. Restore a headlight lense like a pro in a short time.

### **BUMPER RESTORATION**

#### **REVIVAL**

An advanced cream dressing which produces a hi-gloss and wash off resistant finish. Contains a UV inhibitor for a lasting shine which is wash off resistant. Restores a "like new" finish to trim, bumpers, vinyl and plastic.

#### **BUMPER DYE**

An innovative trim coating for exterior plastic such as bumpers and trip. Color and shine are revived when applied with a clean sponge or applicator. Protects from UV rays and harsh weather when applied evenly. Available in black and gray.
