

Do you like making a difference in the lives of others?

Are you interested in working with people with developmental disabilities and autism to obtain jobs in the community?

Do you want to be part of a growing and dynamic team?

Summary:

The Community Based Day Program offers a range of community activities that foster active participation in the community with a focus on vocational preparation and job training. The Vocational Skills Coach is part of the Work\$mart program, which supports individuals who are either working in community based jobs or who are interested in obtaining a job that meets their interests. The Vocational Skills Coach, serving as a role model, will work with participants in small groups to increase their job readiness, as well as promote independent living skills and a balance of health and wellness.

We are seeking:
